

# Bucks Unanimous Pick as No. 1 Club

New York—UPI—Bradley took over second place from St. Bonaventure today in the United Press International college basketball ratings and

these two teams will decide which has the right to the runner-up spot when they clash Thursday night.

Ohio State, unbeaten in its first 14 games, was the unanimous choice of the 35-man UPI Board of Coaches for the No. 1 rating for the fourth week in a row. The Buckeyes have been on top all nine weeks of this season.

While St. Bonaventure was idle last week, Bradley trounced Marquette, 84-66, for its 14th victory in 15 games. The Braves then moved back into the No. 2 spot held for the first six weeks of this season.

Ranked UCLA clash Friday and Saturday nights on each other's home court.

## St. Mary's Entertains Butte Falls

Fourth and final Jackson County B league basketball contest between St. Mary's of Medford and Butte Falls High opens this week's prep varsity competition in this area.

The game is set for the Medford school's court after 6:30 p.m. junior varsity play. St. Mary's, which holds three previous wins over the Loggers, will go to Prospect on Friday for a crucial loop fray.

In the A-1 Southern Oregon conference, teams start their second half. Medford will meet Crater at Central Point on Friday and Grants Pass will go to Ashland. Crater journeys to Klamath Falls on Saturday and Medford will be at home to Ashland.

It's over the hill, but not in the military sense for two members of the A-2 Rogue league. Eagle Point travels to Lakeview and Rogue River to Henley on Friday. On Saturday it will be Eagle Point at Henley and Rogue River at Lakeview. Illinois Valley will be at Phoenix on Friday evening.

Non-league play will have Butte Falls at Camas Valley on Friday and Saturday. On the ninth front Phoenix met Hedrick at Medford while the Hedrick seventh grade Reds and Whites were at Talent Junior High. South Grants Pass clubs will meet the Hedrick seventh Reds and the eighth grades on Thursday and the South ninth comes to Hedrick on Friday. McLoughlin seventh (Golds), eighth and ninth are at Ashland on Friday.

Crater ninth goes to North Grants Pass on Friday and joins the Comet sophomores, Jayvees and varsity on the Saturday trek to Klamath.

## Small Cup Proposed

San Francisco—UPI—George Schneller, former PGA tournament director and one-time touring pro, said today that the game of golf is too easy—and that the way to make it tougher is to reduce the size of the cups on the greens.

"I know this proposal will bring howls of protest," said Schneller, now a semi-retired Montana moneybags. "But I hear all this talk about making golf cups bigger to speed up the play. I think that's going in the wrong direction. I believe the day will come when the size of the cups will be cut from the present standard of four and one-half inches to a maximum of three inches."

From Maine to Florida and Minnesota to California there will be bitter denunciations of the proposal—but it does have merit, Schneller explains it this way:

"The compression on golf balls has been standardized and the pros and amateurs alike still hit the ball out of sight. The greens are as smooth as glass. This makes the courses too easy for most of the better players."

"Now you can't extend the size of the courses. In fact, many are pressed for space as it is. So reducing the size of the cup is the logical solution."

## Presbyterian Retains Lead In YMCA Play

First Presbyterian, First Christian and First Baptist won encounters in the YMCA High School Church League Monday night.

First Presbyterian topped St. Lukes 42 to 32, with Larry Hammack scoring 21 for the winners. Dave Jordan led St. Lukes with 16. Presbyterian held an 18 to 17 halftime lead.

First Christian whipped Eastwood Baptist 13 to 10 in a contest that turned out to be a scoring oddity. Christian's 13 points came on two field goals and nine foul shots. Eastwood scored 10 on two field buckets and six free tosses. Carl Washburn and John Alinsky led the winners with five each. Larry Brown tossed in four for Eastwood.

First Baptist outclassed Westminster Presbyterian 41 to 16 in the evening's final contest. Gary Olson notched 17 for the Baptists. Bob Riechers and John Crawford scored four apiece for Westminster.

First Presbyterian maintained their league leadership with last night's win. They hold a 3-0 record. First Baptist is second with a 2-1 mark.

## Kramer Riding for a Fall

By OSCAR FRALEY United Press International Hollywood, Fla.—Pro tennis czar Jack Kramer is riding for a fall, outspoken Fred Perry asserted today, and the amateur tennis fathers eventually could wind up in command of the professionals for the good of the game.

Kramer's strength, according to the great British star is his weakness. He has signed off the cream of the amateur crop annually in an effort to force open tennis tournaments with himself as the man in complete control.

But righteous anger around the world at these tactics figures eventually to bring Kramer to heel.

"Tennis, the game, has suffered in the battle for control," says Perry, the hawk-faced man who dominated the game in the middle '30s. "But I believe the amateur officials have reached a point of anger at his tactics that now they are prepared to go all out to beat him."

Kramer hurt himself irrevocably, the handsome Perry argues, by signing the top amateur stars of such struggling nations as Italy, France and Spain as well as those of the United States, Australia, and Britain.

"There was a time they all were ready to go along on open tennis," he points out. "But I think Jack made a mistake by demanding too much. Now they are angry and in no mood to cooperate."

The pros mistakenly have come to believe that they, instead of amateur tennis, are the backbone of the sport, argues the three-time U.S. and Wimbledon champion who now teaches the game at Diplomat Hotel.

"They think they can throw open the doors and people will automatically flock to see them," Perry says. "They have come to the position where they expect a guarantee. Now imagine that."

"When I turned professional in November of 1936, we naturally let big Bill Tilden handle all the details. He never did ask anybody for a guarantee."

Thus, came the day when Perry asked Tilden why he didn't require a guarantee.

"We are the best," Tilden stated majestically. "If we don't draw them, if we can't draw them, then we don't deserve to get paid."

Perry, who for seven years was a British Davis Cup star, pro toured with Tilden, Ellsworth Vines and the late Vinnie Richards, among others.

"This is a grand game," he mused. "It's bigger than any individual, me or Kramer or anybody else. Whether you are a pro or an amateur, it's still the same game. And, by and large, the amateur fathers have done a fine job."

And they apparently are about ready, and incensed enough, to do another one, he thinks.

## Maris, Drysdale Sign for \$33,000

By MILTON RICHMAN United Press International Money isn't everything, but name something else that could make Roger Maris and Don Drysdale smile like that!

You'd smile, too, if you did as well financially as they did Monday.

Maris, the 26-year-old right fielder for the New York Yankees, received a raise of more than 50 per cent that figured out to about \$13,000 and brought his salary up to the neighborhood of \$33,000.

Drysdale settled in the same neighborhood, and the \$33,000 contract he signed with the Los Angeles Dodgers represented an \$8,000 boost that makes him the highest-paid pitcher in the club's history.

Maris RBI Leader  
Maris, the American league's most valuable player last season, earned his raise by leading the league with 112 runs batted in while hitting 39 homers and batting .283.

He had turned down the Yankees' first offer but said

## Independent Cage Loop Leaders Vie

A meeting of the Rogue Valley Basketball Referees Association will be held on Wednesday night at Medford Senior High school. The session is set for 7:30 p.m.

There was no serious bickering between him and General Manager Roy Hamey.

"Mr. Hamey gave me credit for having a good year," the Yankee outfielder said.

The 24-year-old Drysdale got his substantial hike over last year's \$25,000 despite a 15-14 record. General Manager Buzzy Bavaal said he took into consideration that Drysdale left in six games with the Dodgers leading, which the club won, but for which Don didn't get official credit.

Cash Still Good  
The credit would've made Drysdale a 21-game winner; the cash is just as good, however.

There were some other signings around the majors also.

Pitcher Tom Cheney and rookie outfielder Donn Clendenon came to terms with the World Champion Pittsburgh Pirates, who now have satisfied a total of 13. Cheney had a 2-2 record with the Pirates last season, and Clendenon led the Sally league in hitting with a .335 average at Savannah.

Rookie infielders Gene Leek and Don Ross signed with the Los Angeles Angels. They were the third and fourth. Bob Cerv and Albie Pearson were the club's first and second.

## Raiders To Travel To La Grande This Week End

Ashland—Southern Oregon college's Red Raiders return to the hoop wars this week end as they run up against the hottest club in the Oregon Collegiate conference, the Eastern Oregon college Mountaineers.

Darkening the Raider hopes is the fact that the two-game set on Friday and Saturday nights will be staged on the Mounties' home court in La Grande. This, plus the fact that SOC mentor Ted Schopf is looking for more rebounding in an effort to put a halt to the Raiders' four-game losing streak, gives the home-standing Mounties the edge as they seek to bolster their league leading 6-2 win-loss record.

Coach Bob Quinn's EOC quint moved into first place in the OCC last week end with a pair of big wins over second place Portland State. That gave the Mounties six straight victories in conference play after dropping a two game series to the Raiders here earlier this season.

The Raiders are the only OCC team to hold down the vaulted EOC offensive attack
