La Grande - Larry Applegate, Eastern Oregon college's talented sophomore who wrecked the Red Raiders of Southern Oregon college by scoring 36 points Friday night, fired in a jump shot with only three seconds left to hand the Mountaineers a thrilling 70-74 comeback triumph over the collegiate Raiders in an Oregon College conference battle here Saturday night.

The pair of wins for the Mounties boosted their league-leading win-loss record to 8-2, while the defeat for SOC pushed them deeper into fourth place with a 4-6 league showing.

Applegate, the conference's top scorer and second-ranked in the Northwest with a season total of 455 markers, tallied 23 Saturday night but it was his final two counters which spelled defeat for the victory-hungry Raiders. SOC has now lost its last six games in a row.

Catch Ted Schopf's Redmen trailed 43-31 at halftime and fell back by as much as 15 points early in the second half. But a successful full court press highlighted a sparkling comeback as the Mountaineers charged away at the Mountie moppet to finally tie the count at 72-all with 1:32 left in the heated contest.

Big John Payne calmly canned a pair of free throws to earn the tie and veteran Gordy Carrigan, the game's top scorer with 26 counters for the second straight night, jumped in a fielder from the base line to give a 74-72 lead to the Raiders with 1:09 remaining.

Tied Again

Tom Neel, the Mounties' second-best scorer behind Applegate, tied up the game again with a long jumper with 57 seconds left. But EOC gained control of the ball seconds later after a missed Raider shot and immediately called time out. When play was resumed, the tactical Mounties played ball-control, waiting for one last shot. They got it, when Applegate found the mark from the side with :03 left on the clock.

The never-say-die Raiders, playing their best all-around game of the season, got the ball in bounds in time for one last shot - by Carrigan. The two-time all-conference guard cast off with the desperation try from over half court and the ball was in the air at the buzzer. But the ball hit on the front rim and bounded away.

Eastern led 70-60 with 4½ minutes left when the Raider rally got underway. Payne and Carrigan dropped in field goals and Carrigan a free throw to cut the EOC lead to five. Payne then came through with another from the field, followed by a bucket by Hughes on a steal and the score read 71-70 for EOC with 3:03 left.

Neel hit a slot try from the foul line to up the Mountie lead to two, but Payne tied the two teams with his pair of charity tosses.

Southern Oregon never led in the game until the 69 sec-

onds to go mark Carrigan, who scored 13 of his total in the opening half, hit two free tosses to gain 2-2 tie with EOC but the Mounts grabbed the lead until the Raiders' second half uprising.

SOC fired at a .468 pace on 29 to 62 shots at the Mounts' .472 mark on 34 of 72 tries. But the Raiders hit on 16 of 20 casts at the charity stripe while EOC was connecting on only 8 of 17.

Rebounds favored SOC by a 36-33 margin with Dave Hughes, who also helped the Raiders' cause with 14 big points, the leader with 12 grabs.

Sophomore Bob Jensen drew praise from Schopf as did Payne, who topped 22 points for the night mostly on jumpers from the key. Jensen was assigned the job of checking Neel, who scored 29 in Friday's game. The Mapleton youngster held Neel to 3 points the second half.

Tuesday SOC hosts Oregon Tech in an 8:15 game at the Raider gym.

PCL and Japanese Loop Playoff Being Studied

San Francisco - (UPI) - The possibility of a baseball playoff series between the winner of the Pacific Coast league and the winner of the Central league of Japan will be discussed in the near future.

Lefty O'Doul, former batting champion of the National League, said he and Nick Morgan, owner of the Honolulu franchise in the PCL, would explore such a possibility during a trip to Japan next week.

O'Doul said he was leaving San Francisco Wednesday for Honolulu, where he will join Morgan for the trip to Japan. The two will arrive in Tokyo Friday.

O'Doul said the main purpose of the trip was to scout for Japanese and Filipino baseball players that might be added to the Honolulu roster, but that there were several other objectives in the excursion.

"We will meet with the heads of the baseball leagues there and probably discuss some sort of exchange system whereby they send us a couple of players for our league and we send them a couple of ours," O'Doul said.

Time waits for no one—especially the National Basketball association team that figures an extra period will wear out Wilt Chamberlain physically.

Chamberlain, defending NBA champion, tallied 11 points in overtime Sunday as the Philadelphia Warriors clipped the New York Knicks, 136-128. The Philly skyscraper totaled 55 points for the game.

Each of the other games also had individual stars as Sam Jones scored on a jump shot with three seconds remaining to give Boston a 123-121 win over St. Louis; Elgin Baylor netted 21 points in the third quarter in Los Angeles; 125-120 triumph over Detroit and Dick Barnett tallied 34 points as Syracuse topped Cincinnati, 129-115.

Phil Jordan climaxed a New York rally with a basket in the last four seconds to tie Philadelphia, 119-all, at the end of regulation time.
