Key to the ability of the Klamath Union High school basketball team to stay on top of the Southern Oregon conference despite crippled condition is "tummy," according to Wayne Scott, sports editor of the Klamath Falls Herald and News.

Tummy, says Scott, is "a delicate word for guts." The H-N wrote gave the same reason for the rise of Oregon Tech hoopers to the top of the Oregon Collegiate conference.

The Klamath Pelicans, of course, were without the services of regulars Bruce Bricker and Wally Palmberg in their week end wins over Ashland and Klamath Falls and regular Ray Taylor did not start against Ashland because of banged up knee cap.

This department will be watching this week for word on the degree of recovery of Bricker from the mumps and Palmberg from an appendectomy - since Medford high entertains the Pelicans on Friday.

WHITE ON CRUTCHES

Even Klamath Union Coach Dean White was an invalid last week end. He turned his ankle in a Thursday city league game and was on crutches.

Salmon Cards To Be Returned

Portland - Anglers are reminded it's the time of year to lend invaluable assistance toward the future of salmon and steelhead angling in Oregon waters.

The contribution they are asked to render is a minor but important one - return their last year's salmon-steelhead punch card to the game commission. The game commission has provided all license agents with punch card collection boxes to make it easy and convenient for anglers to make their returns. The punch cards may also be returned to the game commission's regional offices or mailed directly to its Portland headquarters, 1634 S. W. Alder.

According to state law, anglers are required to return these cards following the expiration date. Failure to do so may result in the angler being refused a license or forfeit his license in ensuing years.

Phil Schneider, state game director, said the punch card system of recording the salmon and steelhead catch is invaluable in the over-all assessment of the resource as well as stream by stream evaluation of the catch.

Night Shooting On Wednesday

Medford Gun club will hold a night trapshoot on Wednesday.

Shooting will start at 7 p.m.

Practice activity will be in order and officers said that the type of shooting "will depend on what the shooters want."

JAYVEES TAKE OVER

You might call the Black Tornado "crippled," too, when it fell to Grants Pass on Friday night. At least, the regular cheer leaders were not on hand to lead the Medford high rooting section. They, we're told, were dancing in "Finian's Rainbow." Junior varsity girls took over. Now, girls, don't take this wrong.

LENS MISSING

Play in the Medford-Grants Pass hoop fray was halted for several minutes, while Caveman reserves and referees searched over the floor for a contact lens GP's Mel Atkins was missing. Some of the girls in the GP rooting section kept pointing and squealing, indicating they saw the lens on the floor. But, it wasn't there at all. Guess where Caveman coach G. O. Prahm found it up under Atkins' eyelid where the player couldn't feel it.

NAME NOT INCLUSIVE

Looks as if a new name might be in order for the A-2 high school Rogue league. Its top two schools in basketball this season, Henley and Lakeview, are not even in the Rogue river valley. The league is scattered over four counties, Lake, Klamath, Josephine and Jackson. The league does not intend to entertain the thought of changing the name, declares an official of one school.

LEARNING YOUNG

Remember Dave Newland, Medford high wrestler, pole vaulter and footballer who went on to University of Oregon and won the Pacific coast intercollegiate mat championship in his weight. He has a son, Bucky, who is taking after his father early. Bucky, just three years old, vied in his first wrestling match recently. Dave is wrestling coach and geometry instructor at Springfield high school where Norm Chapman, another ex-Medfordite, is head football coach. Bucky reportedly accompanies his dad to the prep matches.

HOLE IN ONE

Doug Olson, Medford's ex-state pee wee champion, was a recent hole-in-one scorer at Rogue Valley Country club. The ace came on No. 15 hole when Doug was playing over the Medford links with his mother, Mrs. Jerry Olson. No. 15 hole is 203 yards off the tee.

JUNIOR HIGH BASEBALL

Heard a report the other day that Medford school system planned to start baseball in the junior high with a diamond at new Jackson park to be used by McLoughlin Junior high. We inquired further and got a reply to this effect from a school official: "Show us diamonds ready to be used and the year after that we'll have baseball in the junior high."

As we get it, a diamond would be laid out at Hawthorne park for use by Hedrick Junior high.

Large Crowds Attend Bowling Exhibitions

A crowd of 250 bowling enthusiasts jammed the Medford Bowling Lanes Monday night to watch Buzz Fazio roll exhibition matches with three local klegers.

Fazio is recognized as one of the top 10 bowlers in America. In 26 years of bowling he has held a league and tournament average of well over 200. He has a lifetime average of 213.

The local bowlers proved to be too much for Fazio as they all rolled higher scores. In the first match Charles McWhorter defeated Fazio 193 to 177. Fazio left two open frames. Dick Weber also defeated the expert by 213 to 190. Gary Couch won by three pins 204 to 201.

A large crowd attended an afternoon exhibition and saw Fazio bowl an exhibition with three junior bowlers. Dennis Bauman scored a 193 against Fazio's 163. Fazio had four splits and converted one. Fazio defeated Jerry Zemlika 191 to 146 and Larry Little 195 to 163.

Fazio gave a bowling clinic prior to the afternoon exhibition. He gave a trick bowl-

Time Running Out on Big O And Royals

By United Press International Time is running out but Oscar Robertson may yet lead the Cincinnati Royals into third place and a berth in the Western Division playoffs of the National Basketball association.

The Royals climbed to within three games of third-place Los Angeles when they beat the Lakers, 104-100, at Dayton, Ohio, Monday night and the sellout crowd of 5,808 in the University of Dayton Field House saw Robertson produce the triumph with a brilliant 40-point performance.

Big O, who connected on 15 of 30 field goal attempts, put the Royals ahead, 90-89, with a three-point play with five minutes left in the game. Then he, Arlen Bockhorn and Mike Farmer fought off the late-rallying Lakers.

Elgin Baylor scored 31 points for the Lakers but his 13-for-31 shooting didn't compare with Robertson's 500 average and Oscar also outplayed him by a wide margin in other phases of the game. Bockhorn, a star at the University of Dayton during his college days, was presented with numerous presents, including luggage and silverware. He scored eight points in addition to starring off the boards.

Baptists Lead Church League

First Baptist retained leadership of the YMCA High School church league with a 36 to 16 win over St. Lukes Monday night.

Garry Olson led the Baptists with 18 points. Jerry Jordan had 7 for the losers. Halftime score was 13 to 6 in favor of the Baptists. They now have a 5-1 league record.

First Methodist remained in a second place deadlock with First Presbyterian when the Methodists defeated Westminster Presbyterian 43 to 21. Halftime score favored the Methodists 16 to 14. They now have a 4-1 record.

First Presbyterian topped Eastwood Baptist 52 to 31. Larry Hammack led Presbyterian with 17 points. The Baptists Larry Brown had 22, high for the game. Presbyterian held a halftime bulge of 24 to 10. They boast a 4-1 league mark.

Linfield Holds Northwest Lead

United Press International Linfield maintained its Northwest Conference lead Monday night with a 91-88 victory over Whitman at Walla Walla, Wash.

The win was Linfield's ninth in 13 contests, while College of Idaho, which defeated Willamette 64-53 at Caldwell, Idaho, is 6-3.

Bob Close and Ron Phillips combined to lead the Linfield attack. Close scored 22 points and was closely followed by Phillips with 20. Doug Grant paced the loser's attack with 32.

College of Idaho took an early lead and coasted to its 64-53 win over the Bears. Bob Moreno and Dan Ayres led the winner's attack with 17 and 15 points, respectively. Fidel Gaviola scored 15 for Willamette.

Skins Add Mattson To 1961 Roster

Washington (UPI) - The Washington Redskins added Oregon tackle Riley Mattson to their 1961 roster Monday. He is the seventh player signed out of the team's top nine draft picks.

Mattson, a 240 pounder, was signed after Washington scouts saw him outplay highly-touted Penn State Tackle Stu Barber in the Liberty Bowl game.

Savitt Sings Familiar Tune

New York (UPI) - Dick Savitt, the U. S. national indoor tennis champion for the third time, is singing an old familiar tune.

"That's it as far as big time tennis is concerned for me," he said after Monday's 6-2, 11-9, 6-3 triumph over Whitney Reed of Alameda, Calif. "I wouldn't even have played this year if I didn't have the chance to retire this trophy."

Savitt, 33, has said the same thing over and over again for the last three or four years but he insisted this time, "I mean it."

THE CLASSIC FORD LOOK

Beautifully built to set trends in styling and savings beautifully built to take care of itself

This is probably the most imitated Look in automobiles today. Take the roofline, for instance. (Most other cars have!) Yet it looks best on its original setting, the Ford Galaxie. The roof and all the rest of the car were designed to go together. This is what makes the Classic Ford Look.

Moreover, this car is as beautifully built as it is beautifully shaped. As Ford takes care of itself, it takes care of your budget.

See the roster at right, and you'll conclude: This is the Ford in your future. May we open its door to you... soon?

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

Lubricates itself—You go 30,000 miles between chassis lubrications (which cost only about \$4.00 and take about 20 minutes).

Cleans its own oil—You go 4,000 miles between oil changes with Ford's Full-Flow oil filter (which filters better through specially packed filters).

Adjusts its own brakes—New Truck Size brakes adjust themselves—automatically.

Guards its own muffler—Ford mufflers are double-wrapped and laminated to last three times as long as ordinary mufflers.

Protects its own body—All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing the body panels beneath the doors.

Takes care of its own finish—Just wash and clean Ford's new Diamond-Tuffe Finish and it will continue to gleam like new. (Each needs washing.)

Extended Warranty—Each part of all Fords, except tires, is double-warranted against defects in materials or workmanship for 12 months or 12,000 miles, whichever comes first. Owners remain responsible for normal maintenance service and routine replacement of maintenance items such as filters and ignition parts.
