Fifty-six typing students were recommended for second year typing at Medford High school recently by Carl Bergman, typing teacher. Because of limited enrollment, only those students who showed capabilities for doing more advanced work were recommended.

The majority of those selected had attained a minimum speed of 40 words per minute on a five-minute test and had at least a B average in daily typing work.

During the first two weeks in February, the debate squad competed in an intersquad tournament, as a final preparation for the Linfield Tournament of Champions.

Other squad members and the speech class acted as judges. The debate contest ended in a two-way tie with two teams undefeated in three rounds. The team of Beverly Bush and Patricia Selby thus share the Hedrick championship with Steve Blackhurst and Angus Duncan. Sandra Joyce and Sandra Irving placed second with one defeat.

The results of the individual events were as follows: after dinner speaking, Beverly Bush, first place; Sandra Joyce, second; and Jean Allen, third; salesmanship, Patricia Selby, first; Beverly Bush, second; and Jim Rowan, third; oration, Steve Blackhurst, first; Jean Allen, second; and Kathy Foley, third; humorous interpretation, Susan Root, first; Sandra Irving, second; and Chris Rasmussen, third; interview, Susan Higgins, first; Sue Root and Mary Dixon, tie for second place.

With hopes of matching last year's records, 18 speakers from Medford and Douglas will visit Linfield college for the annual speech tournament. Speakers from throughout Oregon will compete. Medford speech students will be transported to Linfield by Greyhound bus and

Final orders for the Hedrick Hornet were taken Monday. More than 600 students have purchased this pictorial account of the school which will be published in May.

"World Explorers" Hedrick's new yearbook club held a special meeting Thursday to view a film on the Soviet Union. John McKinney, Russian instructor from the high school, showed magazines and newspapers in Russian, also explained something about the language with the special tapes from the language laboratory.
