From DOROTHY ELLIOTT

'Spectacles' have come a long way since Ben Franklin's day. New fashion trends and exciting colors in glasses have

made glass wearing no handicap these days. Hair styles are fashioned, too, to compliment glass modes, but it's important to choose the right one for your face. When you visit our hair stylist, let him (her) suggest the styling suited to your features. For the angular face, the softening effect of sweeping bangs? For the round face, a short head-hugging cap? For the square face, sweeping waves off the temples? For the diamond shaped, behind the ears fullness?

Nearsightedness calls for far-sightedness in hair styling! Lovely, lustrous waves may be the result of hair tinting. It's one of the specialties of De-Na's Beauty Salon. We'll help you select the right shade for your complexion. Call us at SPing 2-2096 for an early appointment.

Nominating Committee

The nominating committee for election of officers will be appointed at the Monday, February 27, meeting of the Scottish Rite Women's club at the Masonic temple.

Mrs. John Smith will be chairman for the evening assisted by Mrs. Stanley Jones. All Scottish Rite wives and widows are invited to attend.
