Looking for a NEW HOME?

Like One CUSTOM BUILT Just the way YOU want it?

The builders at Brookhurst have had many years of experience and are successful because their work is good and their price is right. Any of them will give you valuable assistance in planning your home, choosing building materials, arranging financing, and will handle all details of construction.

How much will this service cost?

Nothing: it's part of our earnest effort to provide the finest possible home for the money. Remember, though, since there are no fees nor commissions, no office overhead and no salesmen, it's up to you to let us know you're interested in a new home. The actual construction costs will be figured as closely as possible, and you will be given a firm bid on the complete job. If it is not satisfactory to you, additional bids can be obtained from other contractors. There just isn't any way to get a better home for the money.

THIS WEEK'S Specials

Ideally Located and Neat as New
3 BEDROOMS \$10,000

Corner Lot, Dining Room, Fenced Yard

HERE IS ONE THAT YOU CAN AFFORD! The monthly payments won't eat up the whole pay check. And you can buy it for just \$300.00 down plus the closing costs of only \$304.51.

It is located close to Medford High in an area preferred by young mothers with small children. There are plenty of playmates for your children here. Just lock them up in the big fenced back yard and forget them. The street is a quiet one with no fast traffic. They will be safe here even if they do climb over the board fence. Young mothers will enjoy the smooth, shady patio. It's a favorite meeting place for them as well as the children on warm summer afternoons.

Family dinners will be fun again when served in the light, cheerful dining room with the sliding glass doors facing out across the patio into the big back yard.

You won't find a better location for a young family on the way up, or a better lot, or a cleaner house, no matter what the price.

You had better hurry on down and see this one. Someone is sure to buy it today. We just do not get any better than this one for the price.
