This would be a Luxury to millions overseas
The problem of where the simplest food is coming from dominates the lives of thousands upon thousands of people overseas. One potato, a loaf of bread, a bottle of milk—these basic foods we take for granted would be a real luxury to them.
These people overseas are of all ages, races, colors. And with many needs. They are victims of disaster—civil strife, displacement, earthquake, poverty—flood, famine, war. The problem of food is but one. Clothing and shelter are others. So is the lack of equipment to build lives anew.
How can you help these people? Give generous support to the overseas aid program of your religious faith. These programs provide help in many ways—food, tools, clothing, homes, jobs, farm machinery, education and technical training.
You name it and America's religious overseas organizations are making it available. In fact, our country's church-sponsored programs provide more than 80 per cent of all voluntary American overseas relief. If you your religious faith makes its appeal this year... remember why you are being asked to give... and give generously!
