Fields, Shaw Gain State Mat Championships for Medford

Wayne Fields and Chuck Shaw, contending in the 141 and 191 weight classes, respectively, Saturday night became Medford High school's first Oregon state prep wrestling champions.

They won in class finals at Oregon State college in Corvallis, carrying the Black Tornado to fourth place in team points. Al Funston, 178, gained a fourth place for Medford.

In his finals Fields edged Ron Bartlett, Centennial, 6-5, getting the decision on riding time. Shaw pinned Gary Hancock, Klamath Falls, in the third round. With the score 2 to 1 in Chuck's favor, the Medford grappler took Hancock down from standing position with a cradle.

David Douglas Winner

Funston, in a battle for third place, was pinned in the second round by Tony Dressler, Newberg, 1960 champ. Medford Coach Art Keith formerly coached the Newberg grappler.

Medford was the only school other than team champion David Douglas with more than one individual titlist. Three Scots won togas as David Douglas ran up 55 points.

Klamath Falls was second with 53, Lebanon had 35 and Medford 33. Grants Pass was fifth with 32. Gary Stevens won the 148-pound class for the Caveman. Stevens, like Shaw, beat a Klamath Falls finalist, victories that denied Klamath top team honors. The GP champ decisioned Larry Wishart.

Teams Qualify For NCAA Basketball Title Runoffs

By MARTIN LADER
United Press International

Defending champion Ohio State is expected to sweep to its second straight NCAA basketball title this year, but Wake Forest, George Washington, Southern California, Princeton and Cincinnati are the latest tournament qualifiers who hope to sidestep the Buckeyes' big broom.

Ohio State made it official Saturday by defeating Michigan State, 91-83, to clinch the Big Ten crown. The Buckeyes, who now own a 28-game winning streak extending over two seasons, draw a first-round bye in the Mid-East regionals of the NCAA tourney and then take on the winner of the Louisville-Ohio U. game on March 17.

Wake Forest earned its NCAA berth by whipping Duke, 96-81, in the finals of the Atlantic Coast conference tournament; George Washington upset William & Mary, 93-82, to win the Southern conference title; Southern California clinched the Big Five crown by beating Stanford, 79-61; Princeton blasted Harvard, 71-59, in the Ivy league; and Cincinnati backed into the Missouri Valley title when Bradley lost to St. Louis, 70-63.

OSC Takes Crown in Wrestling

Seattle – (UPI) – The Oregon State Beavers won their third straight team championship and five individual titles in the finals of the Pacific Coast intercollegiate wrestling championships here Saturday night.

The Beavers had a total of 90 points. Washington State placed second with 53 and Portland State third with 52.

Autry Ehler, Portland State, was voted the outstanding wrestler of the tournament for the second year in a row.

Ehler, defended his 157-pound title with a decision over Jack Berger, Oregon State.

Oregon State champions included Fritz Fivian, 167 pounds, Don Conway, 177 pounds, Jerry Perez, 115 pounds; Ron Finley, 137 pounds, and Tobe Zweygardt, 147 pounds. It was the third straight for Fivian, Conway and Perez.

Gary Stensland of Oregon won the heavyweight crown.

Ducks Beat WSC 76-68

Pullman–(UPI)–Oregon's basketball Ducks broke a six-game losing streak by bouncing Washington State 76-68 Saturday night.

The win provided the Ducks with a split in their two-game week end series with the Cougars.

They close their regular season this week end against Oregon State with two games.

Charlie Warren and Glenn Moore paced the Duck victory, their first since Feb. 4. Warren had 21 points and Moore 15.

Oregon, which now has a 13-11 record, meets Oregon State Friday night at Eugene and Saturday night at Corvallis. The Beavers, who are 14-10 and who lost to the Ducks in two previous games this season, also will be finishing their regular schedule.

The two teams and Portland (16-9) are candidates for an NCAA at-large berth.

Trojans Rule Big 5

United Press International

California and Stanford both have dates with mighty Southern California this week end at Los Angeles and all the coaches involved have good reason to ask, "Is this trip necessary?"

The Trojans sewed up the Big Five title and a spot in the NCAA tournament Saturday by trouncing the Indians, 79-61, after beating UCLA in overtime the previous night.

This gave "old SC" an 8-2 mark in the league and 19-5 on the season. Nobody can catch 'em now and they face an "at large" opponent in the NCAA regionals at Portland March 15.

The race is just about over also, in the West Coast Athletic conference where Loyola seems destined for a trip to the regionals. The Lions only have to knock off Pepperdine (3-8) Tuesday to cinch things. The University of San Francisco (7-3) is the last outfit in contention and could force a tie and a playoff.

MAC 8TH WINS

McLoughlin eighth grade defeated Ashland 38 to 28 in a Friday basketball game with Larry Stockman getting 17 points. The Medford club led 23 to 16 at the half.

HEAVYWEIGHTS MEET

New York – (UPI) – Argentine heavyweight Alex Miteff meets Alonzo Johnson of Rankin, Pa., in the feature 10-round bout at St. Nicholas Arena tonight.

PCL Will Try Rule Change Involving Hurler, Pinchhitter

Seattle –(UPI)– Pacific Coast league directors today approved a league rule change allowing substitution of a pinchhitter for a pitcher without removing the hurler from the game.

The rule change will be in effect for the 1961 PCL season.

Passage of the rule change will mean the PCL will go-it-alone in the novel departure from baseball's usual procedure of taking a pitcher out of the game when a pinchhitter bats in his place.

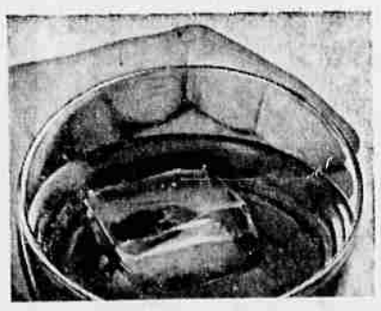
SCHENLEY DISTILLERS CO., N. Y. C. • BLENDED WHISKY, 86 PROOF, 65% GRAIN NEUTRAL SPIRITS

How an exclusive discovery whips extra smoothness into Schenley whisky



This is a glass of unusual whisky. It is Schenley. Its extraordinary smoothness is the result of the greatest advance in whisky making in twenty-five years.

Taking the same fine whiskies always reserved for Schenley, we now put them through a costly new step. In this exclusive step the whiskies are whirled in a specially-designed vat by stainless steel blades and literally whipped into a smoothness never before attainable. This unique process breaks down each drop of the fine whiskies and grain neutral spirits into its smallest possible components and then "marries" them more thoroughly than ever before.

The result can only be realized by tasting Schenley whisky. We think you'll agree: smoothness in a whisky has now taken on a completely new meaning. So start enjoying Schenley, the only whisky with extra smoothness whipped in. $4.50 Fifth Code 255B $3.00 Pint Code 255C
