MIDWAY AUCTION YARD
Regular Sale
Friday, March 17
... SPECIAL ANNOUNCEMENT!
This week's sale will inaugurate our new commission rate.
We have done a great deal of studying as to how to devise a commission rate which would benefit the small consignee. The man who never sells over 500 worth of livestock at the same time give the large consignee an attractive rate.
Our new rate does both & although it is considerably lower than our old rate, lower than anyone else's rate, too, we feel that we can still operate profitably & continue to give our customary service.
We now have the yard built to handle any anticipated sale. We no longer need to spend thousands of dollars annually in expansion programs. Therefore we can operate cheaper & we can pass this saving on to you.
HERE ARE YOUR RATES!
UP TO \$100—5% of Sale
\$100.01 to \$300—4% of Sale over \$100
\$300.01 to \$1000—3% of Sale over \$300
\$1000.01 & up—2% of Sale over \$1000
These rates will apply to every consignee regardless of the size of the consignment. A man who sells \$5000 worth of cattle will pay \$4 on the first \$1000 & 2% on the balance.
These rates approved by the Federal Stockyards of Packers Act Washington, D.C.
