Program on Europe Slated For Arm Chair Travelers

Miss Mary Ellen Bell, retired public health nurse, will show colored slides of Yugoslavia, Austria, Germany and Holland to the Arm Chair Travelers at the Senior Activity center at 1 p.m. Monday, March 27. Miss Bell, who has traveled to Europe by cargo liner, has made each trip a "people to people tour," visiting friends she has made by many years of assistance to refugees and other displaced persons in foreign countries.

Her most recent trip last year included driving through England and Scotland, not on a scheduled tour but through the country side, visiting small towns and villages. The center will be open at 12:30 o'clock and the program is open to any man or woman over the age of 50. Dr. Frank Roberts is leader of the activity, which is the best attended of all the week's programs. New members have recently joined the orchestra, which meets each Thursday afternoon, and also the two art classes. One meets Tuesday afternoon with Mrs. Victoria Stanley as teacher and the second meets Saturday afternoon with Clifford Platz. Eight classes a week are on the present schedule. Interested persons are welcome to drop in at any time during scheduled activities to visit and obtain information about the varied programs.
