

AT TRIAL—Adolf Eichmann is shown during his trial in Jerusalem when he heard the prosecutor brand him as "the man who tried to exterminate the Jewish people" and defend Israel's right to bring him to judgment. (UPI Telephoto)

Grange News

Eagle Point Grange

Georgia Weidman and eight of her piano students entertained for the lecturer's program at the last meeting of the Eagle Point Grange. The students, introduced by Lester Hill, were Doris Hannaford, Willard Welch, Connie Shelton, Judy Hill, Dennis Phillips, Lequita Stephenson, Rebecca Paul and Rebecca Welch. To complete the program Mrs. Helen Anderson, Medford, did a flannelgraph pertaining to Easter, accompanied on the piano by Miss Weidman. Mrs. Scobie was narrator.

For the Agricultural committee, Lester Wertz compared the farmer's part of the consumers dollar from the year 1932 until 1960. On community service, C. C. Hoover said 1,000 trees had been distributed in Ashland, and that all schools but two had been given trees, and these would be taken care of the following week.

Wilfred Davies, on legislation, reported there were 3,500 bills before the state legislature, and gave a brief resume of bills affecting farming.

HEC chairman, Mrs. Lester Wertz, announced the Easter dinner was a success. She also reported on the last HEC meeting, which was a clean-up day at the hall.

Mrs. Eva Wilson had charge of the display table and she showed various articles made of pine needles which were over 30 years old.

Mr. and Mrs. Larry Silvers were voted to become members of the Eagle Point Grange.

It was announced that the next Grange visitation would be at the Central Point Grange April 21, and all members were reminded that the visitation would be at Eagle Point May 2. Master Robert Bitterling announced that the Jackson County Pomona Grange would meet at Lake Creek April 22 at 10 a.m. All ladies are to bring either salad or dessert.

Serving refreshments following the meeting were Mrs. Thelma Short and Mr. and Mrs. C. E. Smith.

Gold Hill Grange

Roscoe Roberts, Medford, county Grange deputy, was a guest of honor at the regular session of Gold Hill Grange April 6. He was conducted to a seat beside the worthy master, A. A. Walker.

Marie Christensen reported from the Oregon Farmer magazine warning about leaving insecticides where children can get them.

The meeting April 20 will be open house, and the public is invited to hear speech contest students at 7 p.m. Competing will be first and second choice and two alternates from each of the four divisions. The selections will be poetry, humorous readings, serious readings and debate. The final contest and choosing of the winners will be held at Crater High school April 22.

The Grange hopes to hold summer recreation programs to help youngsters raise money for summer camps. Grangers are supporting the Flood Control and Water Resources association. Ralph James reported that it has been "quite an uphill climb" with so many different organizations pulling in opposite directions, but under a new law that has been passed all are now pulling together and the dam will be supported by the Isaac Walton league.

Jackson County Grange council will meet at Gold Hill Grange Saturday and all women are asked to bring sandwiches. Butte Falls Grange is giving a crab feed and dance Saturday, April 22.

The resignation of Evelyn Jones from the executive committee was accepted, and Blanche Merriman was elected to fill the vacancy. The quarterly report was read and accepted.

Roberts performed an installation ceremony for officers who were absent at the time of the regular installation. Installed were lecturer, Gertrude Eberhart; Ceres, Edith Martin; chaplain, Nora Walt; P. O. M. O. N. A., Josephine Loeffler; executive committee member, Blanche Merriman.

The lecturer's program consisted of a songfest.

Roberts said the Gold Hill Grange is one of the outstanding Granges of the county, but it is the only one in Jackson county that has the Juvenile Grange meetings on a separate night from regular Grange. He recommended that Juvenile Grange meet on the same night as regular Grange.

Visitation night at Central Point Grange will be April 21. Gold Hill visitation night will be in October.

Upper Applegate
The lecture program for Upper Applegate Grange will be presented at 8 p.m. preceding the regular meeting Friday, April 14, and will be open to the public.

Pictures of Australia will be shown by Mrs. Gilbert and flowers native to Australia will be displayed. Members of garden clubs are especially invited to the program.

Upper Rogue

Upper Rogue Grange members met recently with Overseer Eda Torrance presiding in the absence of Master Howard Bishop. Herb Carlton reported on legislation, and Harold Barber reminded members to read an article in the Oregon Farmer regarding picketing of farmers.

The Home Economics club announced a meeting. Mrs. B. Moore reported on education, and Mrs. Caroline Harding reported on roads. Mrs. Bessie Snodgrass was reported in the Rogue Valley Memorial hospital.

Mrs. Lucile Barber was elected to serve as Ceres for the rest of the year following resignation of Mrs. Helen Gumbert.

Cascade lodge and Nevita chapter, Order of Eastern Star, were granted permission to hold a card party in the hall Saturday, April 22. The next regular meeting May 4 will be the first held on summer hours, when meetings will begin at 8:30 p.m. Members were urged to bring in their sales slips.

Mrs. Harding reported on the 50th anniversary meeting of Evergreen Grange in Douglas county, which she attended. Visitation night will be May 2 in Eagle Point; May 20 at Shady Cove; and April 22 for an all-day meeting of Pomona at Lake Creek.

Mr. and Mrs. Barber and Mr. and Mrs. Carl Finstrum served refreshments.

New Drive-In Planned in Medford

A McDonald's self-service hamburger drive-in is scheduled for Medford as one of 125 new McDonald's units planned for California, Oregon, Washington and Idaho.

Ray A. Kroc, the chain's president, announced plans this week for a major expansion of its west coast operations. He did not reveal exact locations of the new outlets. The new drive-ins are to be operated in the same pattern as the 250 already in operation— from neon-lighted rainbow arch to the 10-item menu, he reported.
