Pictures Of Jungle On Program

Col. H. J. Meiring will show colored slides of the jungle country in Thailand, on the border of Laos and Cambodia, to the Arm Chair Travelers at the Senior Activity Center Monday, April 17, at 1 p.m. Scenes in Bangkok, as well as pictures of the interior where the colonel traveled, will also be shown. If time allows, pictures of the colonel's most recent trip in Arizona will also be shown.

Last week, the group saw a special film with sound made by Walt Disney showing how both man and animals would survive in the space age. The movie was brought to the center by Gilbert Ellis of the Hedrick Junior High school staff through the courtesy of Medford Public Schools.

At last Saturday's oil painting class, Mrs. Cora McMahon substituted for teacher Clifford Platz, in order that he could attend his own golden wedding reception that afternoon.

The new program, the Fifty Plus Club Drama group, which meets each Wednesday from 3 to 5 p.m., had 23 "future actors" at its second meeting. Thayer Tarvin, director, states he will set no limits to the numbers who can come, since "Learning to be some one else is a source of great relaxation and dramatic acting is fun for many people."

The Tuesday oil painting class under Mrs. Victoria Staley is now planning field trips to learn how to paint outdoor scenes. All eight classes each week meet in the afternoon, starting at 1 o'clock except the Spanish classes, one of which is scheduled each Monday night and the other Thursday at 10 a.m.

Newcomers interested in joining some group at the center are asked to drop in during activities to get a schedule, or to telephone the center any afternoon between 1 and 3 o'clock for information. The center is closed all day Friday.

The latest gift to the center is a coffee table from Mr. and Mrs. L. E. Juniper, 1020 South Peach street. Folding chairs, cups and saucers, a tea cart for serving, and a record player are badly needed and would be appreciated by the center committee.
