

SOC Senior Day Attracts 125

Ashland - Statistics regarding registration totals and courses desired by the high school seniors attending Senior Day last week have been noted by Dr. Alvin Fellers, director of student affairs.

Dr. Fellers pointed out "This percentage of definite intent to enroll here is amazing and indicated that the seniors from 23 high schools represented were not 'shopping around' but were convinced that the academic offerings at SOC met their educational needs."

Fields of study preferred by those who registered included general studies, elementary education, secondary education, and pre-professional.

Indicative of the drawing power of the college's highly diversified pre-professional program is the fact that a majority of the seniors in this field listed their majors either as medicine or business. Wild life conservation and nursing also rated high.

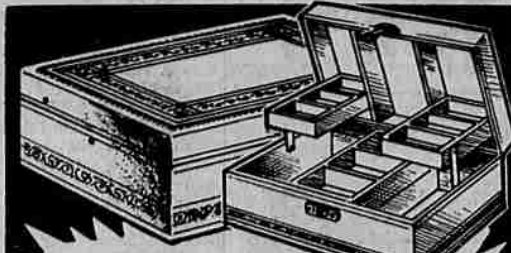

Among other courses chosen were engineering, dental hygiene, pharmacy, home economics, architecture, journalism, and commercial art.

Of the 125 that registered, 108 said they plan to attend SOC next year. High school seniors participating were from Ashland, Bend, Brookings, Harbor, Corvallis, Crater, Days Creek, Drain, Eagle Point, Elkton, Eugene, Grants Pass, Henley, Heppner, Illinois Valley, Klamath Falls, Lakeview, Marshfield, Medford, Myrtle Creek, Rogue River, Roseburg, Springfield, and Weed, Calif.

Washington - (UPI) - Chairman Tom Murray (D-Tenn.) of the House Post Office Committee has introduced legislation to carry out President Kennedy's proposal to boost postal rates. The bill would increase the cost of mailing a first class letter from four to five cents. Domestic air mail stamps would go from seven to eight cents, and there also would be increases in second and third class mail.

ter, Days Creek, Drain, Eagle Point, Elkton, Eugene, Grants Pass, Henley, Heppner, Illinois Valley, Klamath Falls, Lakeview, Marshfield, Medford, Myrtle Creek, Rogue River, Roseburg, Springfield, and Weed, Calif.
