YOU NEED ADVICE
Now more than ever before, when dealing in real estate, you need the advice of an expert in the real estate field.
YOUR REALTOR
Is An Expert In This Field
The ink is hardly dry on one regulation which effects real estate, until another one is put into effect.
The layman can hardly keep pace with the latest regulations, but the Realtor does. Therefore, the Realtor offers maximum protection to BOTH buyer and seller of real estate.
Don't wait until it is too late to correct a mistake. See your Realtor first, and feel sure that you are being fully protected.
It costs no more to be sure . . . Look for the Realtors Seal. Look for the term "Realtor" in all of the Real Estate Ads.
