Safe O'Rama Set At Junior High Sunday Afternoon

In observance of Jackson County Safety Week this week, a Safe O'Rama will be presented at the McLoughlin Junior High school Sunday, April 30, beginning at 1 p.m.

The event is sponsored by the Southern Oregon Regional Safety committee, the State Industrial Accident commission, and the Medford Safety Council.

Featured on the program will be safety skits by Ashland, Crater, and Medford High school students. In addition, demonstrations on safety will be given by local groups and organizations.

Demonstrations include those by the California Oregon Power company, voltage; state board of forestry, hand tools; Medford Safety Council; Medical association; and registered nurses, home safety; Ashland Fire department, fire prevention; sheriff's department, water safety; state police, fire arm safety; Red Cross, first aid; Jackson County road department, explosives; Pacific Telephone, Northwest, pole-top resuscitation; Central Point Rescue unit, rescue; Century Sporting goods, skin diving; and the State Industrial Accident commission, "You Can't Afford An Accident."

No Admission Charge. No admission will be charged, and coffee, doughnuts, and soft drinks will be served.

In proclaiming Safety Week, the Jackson County court asked that each individual make it his personal responsibility to live in a manner to create such living conditions that Jackson County will be known and admired as the safest county in the state.

County Judge Earl Miller said the court urged residents to practice safety in the home, on the job, while at play, and on the highway.
