

*"The map says
the gold's in Zanzibar."*

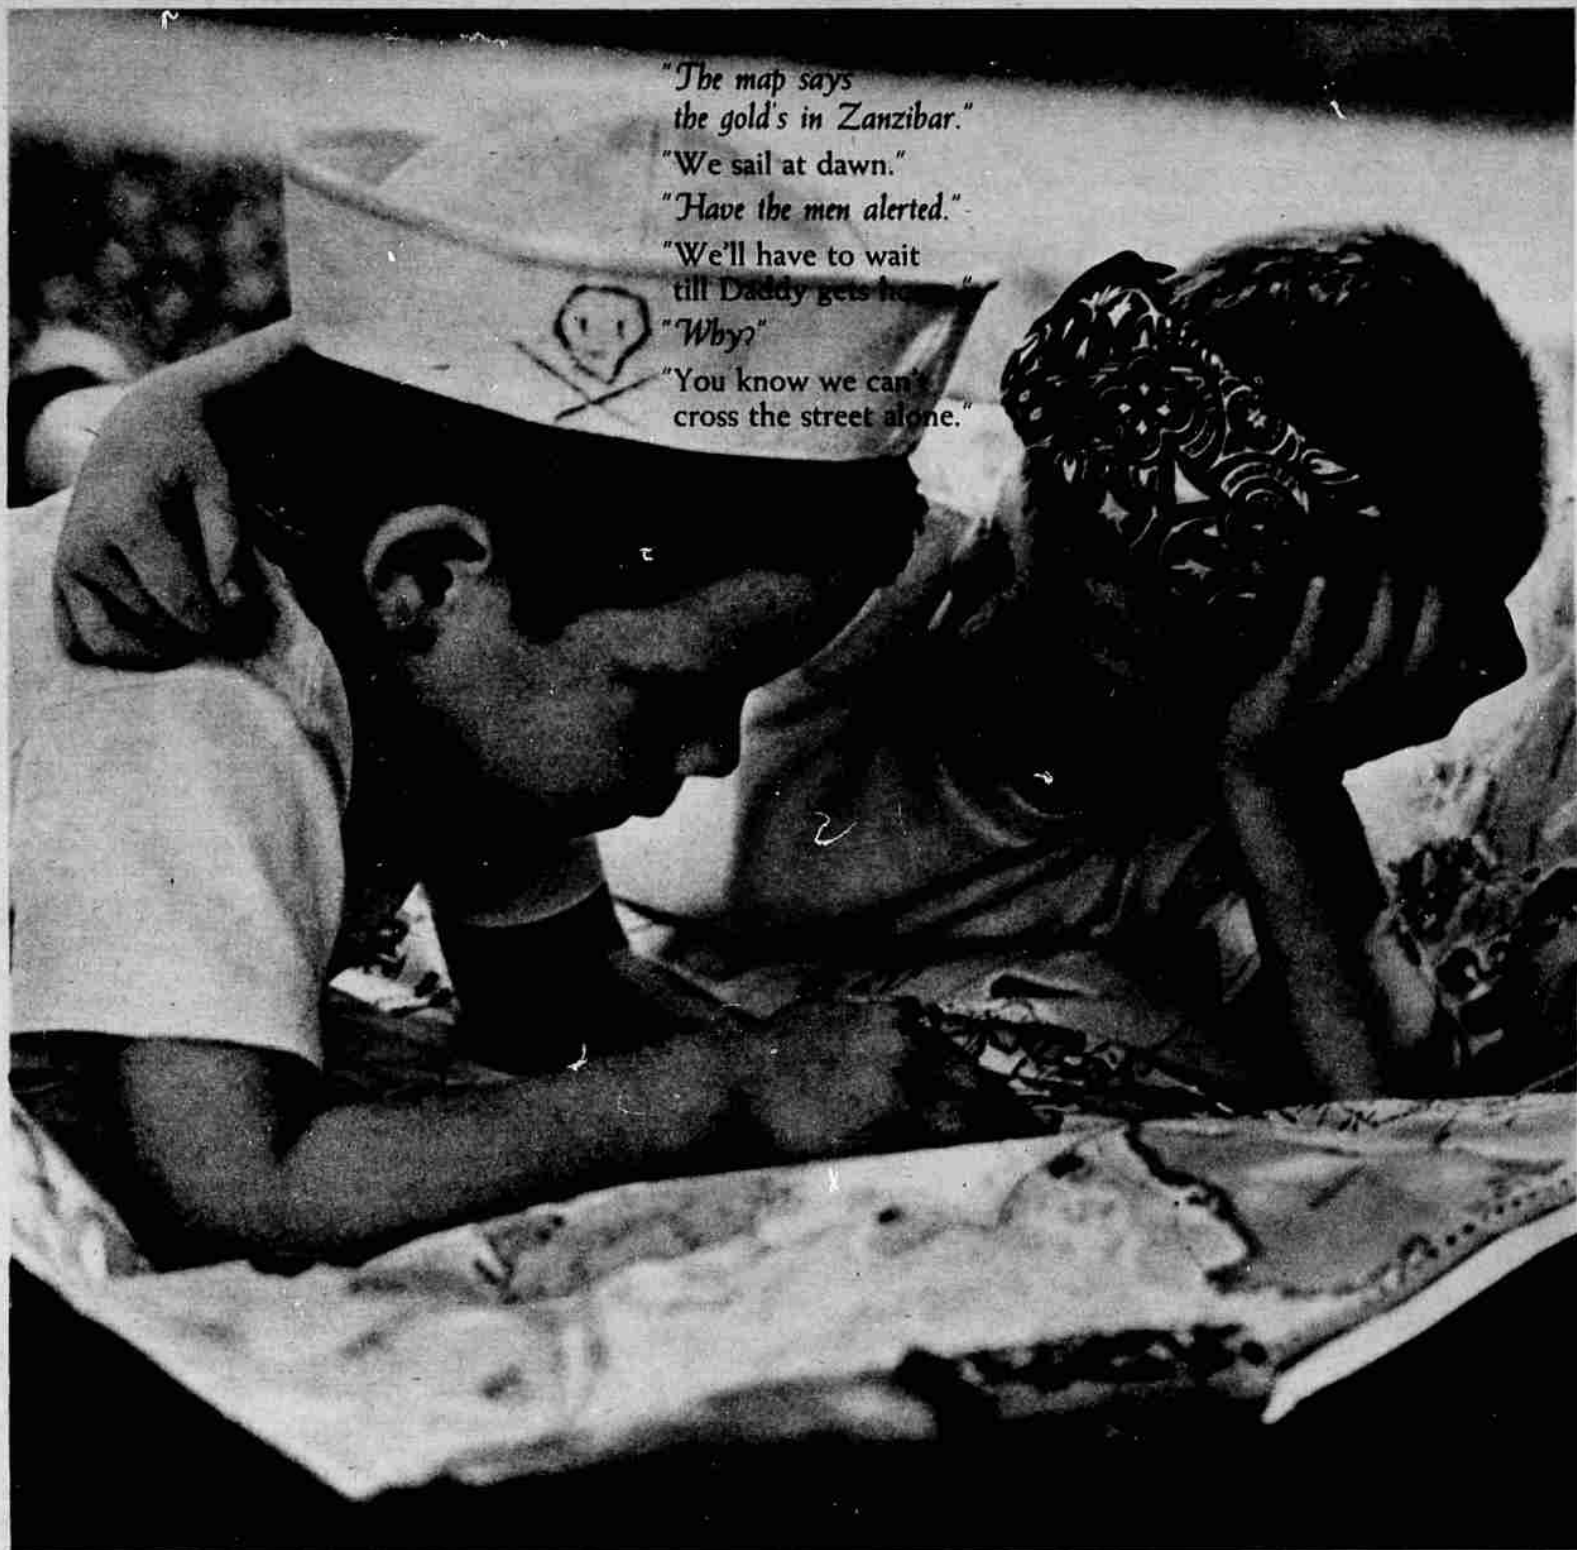

"We sail at dawn."

"Have the men alerted."

*"We'll have to wait
till Daddy gets home."*

"Why?"

*"You know we can't
cross the street alone."*

Whether imagination takes them to the far corners of the world or just across the street—they can always depend on Dad for guidance. Dad, too, has someone *he* can depend on for guidance—his Prudential Agent—an insurance expert who can help him chart the course for his family's future. A Prudential Agent can do the same for you. He'll help you plan a Prudential program which can protect your family through the growing years, assure funds for your children's education, and help provide for your own retirement. Welcome your Prudential Agent when he calls.
