

MARY L. CARPENTER
Welfare Supervisor

Welfare Official Named by County

Mrs. Mary L. Carpenter, a graduate of Oklahoma State university and the University of Denver, has been employed as child welfare supervisor for the Jackson County Public Welfare commission.

She moved here from Duncan, Okla., where she has been employed as district child welfare supervisor for the Oklahoma department of public welfare.

She received her bachelor of arts degree in psychology from OSU and a master of social work degree from Denver.

James Pullman, county welfare administrator, announced that the agency expects to strengthen its services to children in foster homes and in protective services. Mrs. Carpenter will supervise the child welfare workers, Mrs. Winifred Urdel, Roland Hartley and Fred Stock.

The child welfare division works with children in foster homes, adoptions, protective services, children in their own homes, and the licensing and supervising of foster homes.

The child welfare supervisor position has been unfilled for about two years.

Two Suits Filed Because of Crash

Two damage suits have been filed in Jackson county circuit court as a result of an accident near Bear Creek Orchards on Highway 99 June 16, 1960.

Both complaints have been filed against William D. Sommers and Dean L. Sommers, both of route 1, Talent.

Alberta E. Guyton, 3890 Laurel lane, Medford, is seeking \$14,196.85 in one suit against the two Sommers, and Gertrude Alline Hutton, 3808 Laurel lane, Medford, is seeking \$21,390 in a second suit.

According to the complaint, Alberta E. Guyton was driving the car in which Gertrude Alline Hutton was riding as a passenger when a car driven by Dean Sommers struck the Guyton car in the rear. Sommers is the son of William D. Sommers, car owner, according to the complaint.

The two women charge that they were seriously injured.

Gertrude Hutton is seeking special damages of \$1,390 covering medical costs of \$649.45 and loss of wages of \$740.60 to date. Alberta Guyton is seeking special damages of \$696.85 covering medical expenses of \$277.25 and lost wages to date of \$419.60.

The two complaints allege that Sommers was driving faster than reasonable, following too close, failed to keep his car under control and failed to keep a proper lookout.

Medford Girl Named Dormitory Counselor

Corvallis—Glyndon Hunter of Medford has been picked to be a counselor in the women's dormitories next year at Oregon State university.

She is a sophomore in the school of humanities and social sciences.

Thirty-seven coeds were picked for the dormitory counselor assignments. They will assist in new student orientation program, in directing dormitory affairs, and will help other students in the dormitory with study problems. In return for their service, each will receive \$20 per month.

ABOARD CARRIER

Clyde E. Huffman, Navy interior communications electrician fireman, and son of Mrs. C. E. Kimmel, route 1, Eagle Point, was serving aboard the anti-submarine warfare support aircraft carrier, USS Bennington, which returned recently to San Diego, Calif., following a cruise in the western Pacific.
