Ashland Presbyterians To Start \$115,000 Building Program

Ashland — Work will start soon on the first phase of a new \$115,000 First Presby-
terian church in Ashland at the
corner of Siskiyou blvd. and
Walker ave., Ashland.

To preserve the oak trees
already on the property, the
church plan consists of four
primary buildings grouped
around a centrally located

court. The buildings will be
the sanctuary, administration,
fellowship and educational
units. Present plans call for
building the sanctuary and ad-
ministration units as the initial
step in the construction
program.

The sanctuary will domi-
nate the site with its roof of
wood tuck arches more than
40 feet above the ground. The
interiors will be finished in
natural wood and narrow win-
dows of stained glass will be
in the nave.

The sanctuary unit will be
approximately 5,200 square
feet in floor area and will seat
320 persons. Also included in
the unit will be the church of-
fices, private waiting room,
choir space for 30, choir room,
sacristy alcove, rest rooms
and a mechanical room. The
church will be heated by a ra-
diant type provided by copper
coils buried in the floor sys-

tem through which warm wa-
ter will circulate.

The administration unit will
be adjacent to the sanctuary
building and will provide fa-
cilities for the administration
and community service func-
tions of the church. It will in-
clude facilities for the church
office, storage, pastor's study,
church parlor, nursery, kin-
dergarten, rest rooms and me-
chanical room. The adminis-
tration unit and covered walk
to the sanctuary unit will add
an additional 4,800 square feet
of construction to the pro-
gram.

The final building program
is the culmination of two
years of planning and study
by the church building com-
mittee. The pastor of the
church is the Rev. B. J. Hol-
land. General contractor for
the project will be Harold
Salter, Rogue River. Archi-
tects were Edson and Pappas,
Medford.
