Hole-in-one prizes for the last month at the Pitch-and-Putt course were awarded. Archie Peterson and Steve Mostowski were the lucky performers.

A travel talk on Japan was presented recently by Chaplain Galin Jordan and his wife. Known as "The Gray Man," the Chaplain served with the radar crews during the Korean War and during recovery from hospitalization

is studying accounting in Medford.

The military funeral detail functions in honor of every veteran interred in the White City cemetery. All service on the funeral detail--pallbearers, color bearers, color guards, firing squad--is voluntary. Men are selected for size, physical condition and amiability.

Frequent rehearsals are held in the chapel, en route and at the grave.

At the end of the Chaplain's service at the grave the colors

are folded and the flag is presented to the next of kin if present.

Ray Torant, 67, well-known ballroom dancer at the domiciliary, is planning to visit his boyhood New England-Simsbury, Conn., 12 miles out of Hartford.

While there he will go up into Maine, and visit friends at Moosehead Lake, and stay in a Lodge he knows about. He will return to the domiciliary when Autumn comes, because he likes the Falls and Winters in the Rogue River valley best, he stated.

Genevieve Bobrowske, auxiliary president of VFW Post,

Rogue River, brought a bevy of entertainers to the theater recently from the Rogue River High school and under Patte Hopkins' direction as MC furnished a variety of instrumental music, songs and dances that was well received.

They were accompanied by Harry and Hulda Skevington, post commander and senior vice commander, Al Bobrowske and Mary Williamson.

The entertainers included Janine Le Master and Marvin Le Master, her father, Sharon Smith, Gary Danielles, Carey Starzinger, Gina Massey, Nancy Themure, John Neilson, Randy Anderson, Bob Ballinger, and Delbert Shultz.

OVERSEAS AID WEEK

Washington - (AP) - President Kennedy has proclaimed this week Voluntary Overseas Aid Week and said he doubt-

ed that "our assistance programs abroad, especially in the distribution of food, could be effective without the help of the voluntary agencies."

Shipping Spoiled Eggs

Portland - (AP) - The case of a Portland distributor charged with shipping frozen spoiled eggs across the country was expected to go to a federal jury today.

Thomas B. DiCillo of Oregon Egg and Poultry Co. has maintained all the eggs were fresh when they started their journey from Oregon to New York.

Here is Richfield's
GUARANTEE
to you:

Improved RICHFIELD BORON gasoline, when used exclusively in your car, will clean out harmful deposits that form in the carburetor and then will keep your carburetor clean and clear of future harmful deposits. This will end the need for costly deposit-caused carburetor "boil-outs." (Removing, cleaning, and re-installing.)

If, after 2000 miles of exclusive RICHFIELD BORON use, your car should require a carburetor "boil-out" so caused, Richfield will pay the full charges for labor according to the published list available at all Richfield Stations.

Here's all you do to qualify:

1. Fill in the written Guarantee Form, available from all Richfield Dealers, and mail it to Richfield.
2. Start using RICHFIELD BORON exclusively in your car for the next 2000 miles.

These forms will be issued up to September 15, 1962, and no claim will be honored unless received prior to January 1, 1963.

NEVER BEFORE SUCH ASSURANCE OF PERFORMANCE:
Use Improved Richfield Boron in your car for the next 2000 miles. Then if your carburetor should need a "boil-out," to remove deposits, Richfield will pay the total labor costs.

We're so certain of the performance qualities of this improved gasoline, that we are willing to guarantee these benefits to you. Richfield Boron will clean out the deposits your carburetor has been accumulating from stop 'n' go driving. And it will keep your carburetor clean.

Right from the start this can mean a saving to you of as much as \$10 to \$20 or more in carburetor "boil-out" costs—for Richfield Boron is guaranteed to end the need for costly carburetor "boil-outs" due to deposits.

And that's only the beginning of your savings with Richfield Boron. By removing deposits, and keeping your carburetor free of deposits, Richfield Boron helps your car idle smoother, stops stalling in traffic, and increases mileage.

Start today, cleaning your carburetor as you drive. Once cleaned, your carburetor will stay clean with the steady use of Richfield Boron. Drive into a Richfield station today. Start to enjoy the benefits of this performance-proved gasoline.
