Music, Flower, Food Planned for Jewelerama

Organ music will provide a musical background for the glitter of jewels at the silver tea and Jewelerama on April 26, planned as a benefit for the American Cancer society. John Stong of Purucker Music house will play the organ in the Starlight room of the Rogue Valley Country club, where the jewels will be on display from 2 to 4:30 o'clock in the afternoon and from 7:30 to 9:30 o'clock in the evening. The tea is sponsored by the Hillcrest tea committee, a part of the Jackson County unit of the ACS.

Mrs. Raymond Miksche will arrange the floral centerpieces for the two testables. Flower arrangements to decorate the room will be donated by Ginn's Flowers, Hoppe's Greenhouse and Florist, Leonard's Flowers, and the Medford Flower shop.

The jewels on display will be brought to Medford by Oscar Heyman and company of New York city, in cooperation with Brophy's Jewelers of Medford and Skeie's Jewelers of Eugene.

The Hillcrest tea committee meets monthly to assist the Jackson County unit with its work. The committee, previously called the cancer committee, preceded the present county unit in the valley, before the expanding activities of the ACS required more workers and greater citizen participation to achieve its desired aims.

The special project of the committee is its annual tea which has been held for many years at Hillcrest house in April. However, many members of the committee have duties with the county unit, in addition to their work with the tea committee.

Mrs. John S. Day, chairman of the tea committee, is also on the board of directors of the Jackson County unit of the ACS, and is a member of the board of directors of the Oregon Division of the ACS. Mrs. Ray Frisbie, Mrs. Ralph Odell, and Mrs. Richard Sachwahn are also members of the board of directors of the Jackson County unit.

Mrs. Frisbie has headed the service branch of the ACS in Jackson county for several years. Mrs. Odell was a chairman of the door-to-door drive in Medford for three years.
