

Speaker Announced For Society

A lecture on herbs will be given by Mrs. Arthur Kneass during a meeting of the Rogue Valley Herb Society Tuesday, April 17, at 1:30 p.m., in the Girls Community club. The title of her lecture is, "All-Year Round Gifts Made From Herbs."

In keeping with the theme, roll call will be answered by members naming wild herbs used in salads, and Mrs. Leo Thomas will give the herb growers review on "Grow Herbs From Seeds."

The exhibit for the day will be done by Mrs. Sidney Hansen and Mrs. Charles Ray will be the hostess.

At the March meeting of the group Mrs. J. W. Ostrander lectured on "What Herbs Can Do for a Garden," and Mrs. L. Lingscheid did the review on "Uses of Herbs by Indians." Mrs. Kneass made the exhibit for the day and Mrs. Vern Shangle and Mrs. Kneass served refreshments made with herbs.

Life of Christ Depicted on Stamps

"The Greatest Life Ever Lived," the life of Christ as portrayed on postage stamps, was the title of the program of the Southern Oregon Stamp club at a meeting held April 5.

The program was presented by Mrs. Mabel Houck, who has been working on the exhibit for several years. Each of the 16 pages of the exhibit was projected on a screen with an opaque projector.

Each stamp, with a few exceptions, is titled with a verse from the Bible, mostly from the Gospels. The first stamp in the exhibit is from the

Vatican and depicts the Angel Gabriel, on the same page are a stamp from Monaco showing the Virgin Mary, one from Poland depicting the Annunciation and one from the Philippines and one from Malta depicting the Immaculate Conception. The next page shows a stamp from Palestine depicting Rachel's tomb which is near Bethlehem.

Stamps from Hungary, the Vatican and New Zealand honor the Nativity. The message to the shepherd and the adoration of the shepherds are shown on stamps of Nor-

folk Island, Hungary, and Australia. The Holy Family is shown on a stamp of Spain and many countries show the Madonna and Child on stamps; Mrs. Houck used those issued by the Congo, Ireland, Austria, Belgium, the German republic, and the Saar, who issued a set of large format stamps with this theme. Stamps from Hungary, Australia, Cuba, Brazil, and New Zealand honor the visit of the Wise Men; and Eire, Spain and the Vatican depict the flight into Egypt.

Baptism Depicted Spain issued a stamp depicting the baptism of Christ and a Polish stamp is used to depict the Holy Spirit as a dove descending. Palestine has issued a stamp showing the Sea of Galilee, and Italy issued a large stamp depicting Christ teaching. The parable of the Good Samaritan is depicted by a stamp from Israel showing the Jericho road, one from Belgium and one from Greece showing the Good Samaritan. The Dominican Republic issued a stamp showing Jesus and the little children.

A stamp from Trieste illustrates the crowing of the cock in Peter's denial of his Lord, and one from Angola depicts the crown of thorns. A stamp from Belgium shows Christ carrying his cross and one from Spain and another from Belgium shows the descent from the cross. West Germany issued a stamp depicting the seamless robe worn by Christ and gambled for by the soldiers. Stamps by Italy and Poland depict the angel at the tomb on Easter morning.

The last page in the exhibit shows a stamp of Argentina picturing the Christ of the Andes, and states that this statue "declares His triumph and His divine place of Divine guidance in the world of living men."

Following the business meeting the club held a short stamp auction with Bob Lowe as auctioneer. Announcements of coming stamp events were made, the biggest being the Centex exhibition to be held at Seattle on May 28, 29, and 30 at the Benjamin Franklin Hotel. Centex is the 22nd Annual Pacific International Philatelic exhibition sponsored by the Northwest Federation of Stamp clubs; the local club is one of the members. Host club to Centex will be The Collectors club, Seattle. Clyde Smith, a past president of the Southern Oregon Stamp club, announced that he was entering a nine-frame exhibit on the Civil War; other members said that they also plan to attend. There are 5 classes and 21 sections in the exhibition, and it is open to members of any of the member clubs with a small fee for each frame. The Federation has more than 30 clubs as members, all in the northwest area of the U.S.

It was announced that the May meeting of the Southern Oregon Stamp club will be given over to a stamp auction. Mr. Lowe will be auctioneer. Miss Cera Maxfield was a guest at the April meeting; refreshments were served by Mrs. Russell Herbert, Mrs. Irene Cordier, and Mrs. Bob Lowe.
