HOW TO PUBLISH A SONG

"Although there are many aspiring song writers today," writes Nena Cudd (Mrs. Toni Cudd) of Grants Pass, "recording companies are eager for new material. They do listen. Singers and musicians flock to these companies to hear all they have to offer. The turnover has never been so fast in the history of music."

Judges Named for Fund Competition

Area high school students wishing to compete for the \$500 scholarship sponsored by O. N. C. Southern California Freight Lines must have applications in by May 4.

Forms are available at Ashland, Crater, Butte Falls, Prospect, Eagle Point, Phoenix, Talent, Medford and St. Mary's High schools, according to C. C. Proctor, Medford area sales representative.

A panel of five judges will select one student from the Jackson county area to receive a \$500 scholarship for the 1962-63 college year. This is one of 36 \$500 educational grants to be given throughout Oregon, Nevada, California and Washington to high school students who will graduate this spring and attend college in the fall.

The judges committee which is headed by Alf B. Mekvold, Jackson county school superintendent, consists of Boyd Budge, general manager of Budge-McHugh Supply; Clare Larsen, general manager of American Steel; Bill Moffatt, store manager of Mann's department store; Don Ashpole, Jackson County Realty; and Edd Rountrie, editor and publisher of the Ashland Daily Tidings.

Recipients of the awards may attend any accredited four year college or university in the United States. There are no conditions concerning educational endeavor, according to Proctor.

"Mail the tape and the copy of the words together in a large manila envelope to all leading recording companies. You can get the names and addresses of some of these companies from the public library. On the face of the envelope print in big, bold letters, 'Tape Recording.' Make certain to have the correct address and place your return address in the upper left-hand corner of the envelope. Be sure to have the proper amount of postage. Include inside this envelope another manila envelope, self-addressed with the correct return postage. This is most important; your material will be returned only if you do this.

"If you know the name and address of any reliable agent, he should be included on your mailing list. If you can afford it, hire an agent."
