

WILLIAM B. WESTFALL  
Receives Promotion

### Former Ashland Man Is Promoted

William B. Westfall, former Ashland resident, commander of the 3537th Navigator Training Squadron at Mather Air Force base, Calif., has been promoted to colonel.

Westfall received his first promotion at Mather in 1942 when he graduated from the advanced pilot training school here and was commissioned a second lieutenant.

Colonel Westfall moved to Mather for the second time as a lieutenant colonel in 1959 when he took the post of Wing executive officer. Previous to this assignment he commanded the 3810th Navigator Training Squadron (flying support) at Harlingen Air Force base, Tex. His present assignment is commander of the 3537th Navigator Training Squadron (flying support) at Mather.

During World War II, Colonel Westfall was stationed in India where he made 110 flights over the "hump run" to China. From 1954 to 1956 he was stationed in Dhahran, Saudi Arabia, where he commanded the 7244th Air Base Squadron. He was assigned to Harlingen in 1957. A command pilot, Colonel Westfall was promoted to his present rank March 15.

The colonel attended Ashland High school, Ashland, Ore., and Southern Oregon college. He earned his bachelor's degree from the University of California in 1950. He also is a graduate of the Air Force Command and Staff school.

### Summer Workshop On Shakespeare Set

Yreka—A third summer workshop for study of the Oregon Shakespeare Festival plays at Ashland, Ore., will be held by Chico State college in cooperation with the Siskiyou county schools.

The two-week post session workshop will be held in Yreka and the class members will attend four evening performances of the Shakespearean Festival. The class will study each play before seeing it and discuss it after each performance.

Plays to be studied are "The Comedy of Errors," "Henry IV," Part II, "As You Like It" and "Coriolanus."

Faculty members will be Dr. Hugh M. Bell, Dr. Charles S. Felver and Dr. Arthur Solomon, all of Chico State college.

A special feature of the summer course will be an opportunity to learn and participate in singing Elizabethan Madrigals under Mr. and Mrs. Max Williamson, music instructors in the Chico school system.

### Oregon Will Get Job Training Grant

Salem—(UPI)—Oregon is getting a \$205,000 a year grant from the U.S. government for vocational training of the jobless, the Oregon Education Department has announced.

Dr. Leon P. Minear, state superintendent of public instruction, said the money is being given jointly to the Education Department and to the Oregon Labor Bureau.

The grant, under the 1962 Congressional Manpower and Training Act, will provide \$300 a year per person to about 250 individuals in need of qualifications for specific job training, Minear said.

In the first two years, the act pays 100 per cent of the cost. After two years, the state and local communities must match funds on a 50-50 basis.

Priority in selecting those to be trained will be given to those presently unemployed, and to the heads of families.

PROFESSOR CHOSEN

Eugene—(UPI)—Dr. Lewis R. Goldberg, an assistant professor at the University of Oregon, has been chosen to assist in the selection and assessment of Peace Corps members.
