

Stathos Speaks at Rogue Valley Manor

Republican State Senate candidate Don Stathos promised Wednesday (April 18) to "bring Salem to Jackson county" if elected to the state senate.

Speaking before a luncheon group at Rogue Valley Manor, Stathos said he would hold an "open office" in Medford once a month during the legislative session. At this time, residents of Jackson county would be invited to bring their questions to him concerning legislation and air any problems having to do with the state government, he said.

"Communication between the voter and his elected representative is usually broken off as soon as the campaign ends. I would maintain a pipeline between the state legislature and the 73,962 people who will be affected by the action it takes," Stathos said. Declaring that a public official cannot be a true representative of the people without knowing their problems, the Republican candidate also said he would hold meetings in various parts of the county during the months when the legislature was not in session.

Dr. Cecil Named Band Director

Ashland - Dr. Herbert Cecil of Southern Oregon college was appointed band director for the 1962 summer concert season by the Ashland city council this week. Rehearsals will begin this month.

A request from George Findley of the Elks lodge that May 1 be observed as Youth Day was approved, as was an 8 a.m. council meeting scheduled to brief the youthful participants in their day-long municipal duties.

Bids were let to General Electric corporation for underground cable, to Firefighter company for fire hose, and to U. S. Pipe and Foundry company for cast iron pipe.

The council ordered repairs in the 500 block on Allison st. to remedy a wash-out condition caused by underground springs; ordered vacation of a 140-foot strip on Oregon st. to eliminate a log; certified delinquent assessments for collection be placed on county tax rolls with rebate to city; and passed an ordinance authorizing 10-year city improvement bonds totaling \$32,000 be issued under the Bancroft act for paving done during the past year.
