

Mrs. G. O. Gillaspie, 3839 Military road, brought this unusual stalk of fritillaria, commonly known in Jackson county as red bells, to the Mail Tribune office one day last week. The stalk has 17 blossoms; the usual red bell stalk is much smaller with only six to eight flowers. The flower was picked in the Applegate area by Mr. Gillaspie, who reported that he was careful to leave more than a foot of stem in order that the bulb would not be killed. (Landis photo)

Exchange Student Is Speaker

At a recent meeting of the College Women's Club of the Rogue River Valley, Miss Brigitte Moser, exchange student from Vienna, Austria, related interesting experiences connected with her few months in the United States.

Miss Moser attends Crater High school and lives with the Charles Bateman family of Central Point.

The American Field service, a private organization that plans and screens the applicants, requires a preliminary essay outlining the student's attitude toward the proposed year's study in an American school. This is followed by a personal interview and a visit from a previous exchange student.

According to Miss Moser, there are many similarities between Oregon and her homeland: The mountains, the forests, and the lakes of Oregon make her feel at home. Like Oregon, Austria has not only its mountain area with lakes and forests but also its eastern plains. Although Austria is only one-third as large as Oregon, it has more than three times as many people.

Like most exchange students, the speaker said she is impressed by the friendliness of the people. Coming from a city in which she knew only her relatives and a very few close friends, she is surprised and pleased with the general good will between neighbors, not common among apartment dwellers in large cities.

Like foreign visitors the world around, she sees many similarities in customs and ways of living, but the spice of the visit comes in the differences. In her Central Point home delicious dinners are sometimes prepared in a matter of minutes while at home her mother often spends almost the whole day in the kitchen preparing a good dinner for her family.

Miss Moser was wearing the traditional dress of the province of Vienna, one of the nine that make up the federal state. She was introduced by Mrs. James Medley.

Mrs. Otis Swisher introduced Larry Hobson, a bass soloist, who is a student in Southern Oregon college, who sang three numbers. Among them was the familiar "Let Not Your Heart Be Troubled", fitting in the Lenten season. He was accompanied by Gary Love, a teacher of music at Hedrick Junior High school.

Hostesses for the afternoon were Miss Beulah Warner and Mrs. Harris Jones, assisting them were Mrs. Glenn Linn and Mrs. D. R. Sloan, of the social committee. Mrs. L. H. Rühner presided at a brief business meeting.

Remove black heel marks on a floor by rubbing with a cloth moistened with wax. Try steel wool and wax if stains persist.

Last Session To Be Held Monday

The last meeting of the Crater High Parent-Teacher-Student association will be Monday, April 23, at 8 p.m. The business meeting will be held in the cafeteria, followed by an art, science and shop display in the gymnasium.

Invocation was given by Miss Jean Cunningham of the Gold Hill Christian church. During the business session, the association voted to give recognition to the members of the graduating class with a grade point average of at least 3.5. New officers were elected.
