The Final Tale

*A kitten loves all moving things:
Pencils, marbles, thimbles, strings,
Fingers, lamp cords, water dripping,
Goldfish, flowers, pages flipping,
Buttons, curtains, bare feet, papers,
All inspire his frenzied capers.*

*And when these fail
He has his tail.*

—Betty Isler

When the husband returned home, he found the new power lawn mower had been delivered—and his wife, who knew nothing about machines, had mowed the entire lawn.

"But didn't you have trouble starting it," the husband asked, "especially since it has to be cranked by yanking a rope?"

"Oh, no," the wife replied offhandedly. "I pulled once and it didn't start, so I pulled again. It still didn't start, but on the third try it started right up—just like on the directions."

"What directions?" the husband asked.

"See on the side? It says 3HP—three hard pulls."

—John Shotwell

"It's for my husband, and I was thinking more along the line of 'get back to work!'"

A young lady wrote from college that she had just become engaged to a dashing senior she'd met a short time before.

Her distraught father wired her: "Don't rush into marriage with a stranger!"

"Don't worry," came the reply, "he isn't a stranger. I know a girl who was engaged to him for two months."

—F. G. Kernan

IS THERE SUCH A THING AS A SPECIAL LAXATIVE FOR WOMEN?

So many women are asking this important question.

The answer is—yes. A remarkable new medical discovery called Dioctyl Sodium Sulfosuccinate has now made possible a special new laxative for a woman's sensitive system. We call it Correctol®.

Correctol works two ways. First, its miracle ingredient takes advantage of the natural moisture in your system. Second, its mild laxative acts gently but most effectively. Working together, Correctol's two active ingredients give a woman more natural relief than any ordinary laxative can.

Correctol is recommended any time in a woman's life, even during and after pregnancy.

Try gentle, hospital-tested Correctol... bearing the Good Housekeeping Seal. Ask your druggist for Correctol.

YOU can dodge death, disguise it, ignore it. But sooner or later you must die. Alone. How will you face it? As the final end? Gateway to an indefinite "beyond?" Christians say death's finality is defeated for them by the resurrection of Jesus Christ.

AFRAID TO DIE?

Christians affirm He offers the way through death—not a way around it. Christ makes death a door—not to a wispy existence of the soul, but to a fresh, new life that embodies the whole person... the resurrection and the life everlasting. More complete than this life, with the ultimate joy of real fellowship with God and man.

Christians confront death by uniting with God now, through Christ. And they find not only bold readiness for death, but new zest and joy for all of life. How to die? The question is one of life and death. Request this free booklet, AFRAID TO DIE?
