

Crash Kills Two; Hurts GP Woman

Castaic, Calif. (UPI)—Two University of Cincinnati swimmers were killed Saturday when their small foreign-made car crossed over the double line and crashed head-on into another vehicle on U.S. 99 about three miles north of here, the California highway patrol reported.

The victims were identified as James Eric Norman, 20, San Diego, Calif., holder of the national freshman record for the 50-yard free-style; and Jim Marchetti, San Leandro, Calif., captain of the Bearcat swimming team.

School officials said the students were on a one-week vacation to their homes in California.

The California highway patrol said they were killed when their southbound car crossed into the northbound lane and was hit head-on by a Cadillac driven by Bessie Mae Bruffett, 39, (3268 Elk lane) Grants Pass, Ore. She was taken to Santa Clarita hospital in Saugus with possible internal injuries.

JUDY RELEASED

New York (UPI)—Judy Garland was released from Columbia-Presbyterian Hospital Saturday after spending a week there under treatment for exhaustion. She checked into a hotel.

News and Notes From Camp White

Twenty-four girls from Yreka, Calif., Medford and Grants Pass, members of the Daryl Holt School of Dancing, furnished a terpsichorean festival at the Easter entertainment provided by White City Post 6412, VFW, recently.

At least half of the party came all the way from Yreka to put on the show. Featured performer were the Suzy Q's from the Siskiyou. A fine interpretative performance was added by two Medford artists, Glen Rasmussen and Carol Schneider with Cuban Antics and Lazy River.

The Grants Pass troupe included Carol Newton, Diane

Dunham, Beth Peden, Karen Keyte, and Ginger Quinby, and the Little Ballerinas: Sandy Hargitt, Valerie Butler, Charlene Pollack and Dana Lesher.

The Suzy Q's and their sister dancers were Mary Blossotti, Chris Kitto, Carleen De Clerk, Nicki Evans, Chereen Ferber, Charlene Cordes, Julie Haraden, Kita Haraden, Sandy Orr, Barbara Meamber, Linda Dunham, Donna Scarrow and Karen Dodson.

The sports tournament conducted by the Royal Order No. 10 M.O.L.B. of Medford recently, brought 84 partici-

pants to the event. Members who received awards were Oral Grissom, Fred Choquette, Dan Madden, John Liba, Carl Hildebrand, Carlyle Arnold, William Franklin, Carl Majka, Jack Martin, Don Weed, Peter Kady, K. Johnson, H. D. Curtis, Don Hodges, Fred Hohenleitner, A. Kasken, D. Aiken and W. E. Poult.

Volunteers in charge were Mary H. Schulz, Helen Lusk, Amber Sutherland and Faye Allison of Roguette Circle. The ladies were in full "Lady Bug" regalia, and expressed delight at the enthusiasm and large attendance of the domiciliary members.

Bob Snow, who says he is from "deep in the heart of Texas," is a comparative newcomer to the domiciliary and

he is enthused with southern Oregon and the domiciliary way of living. Bob is a promoter at heart and a showman by inclination.

"You can say for me that the food, and the waitresses and our wonderful band of musicians remind me of the Biltmore in LA or the Adolphus hotel in Dallas."

He is a veteran flyer and has scars of his disability from a crash in the service as aviation instructor at Olancho, Calif., during the war. He has been in the selling game most of the time since then and at one time was a scout for Warner Brothers.

Administration Domiciliary opened Feb. 20, 1949, in the hospital section of a former World War II Army camp. The domiciliary is authorized 1,025 beds and in its 13 years has cared for about 12,000 veterans of the Spanish-American War, World War I, World War II, the Korean Conflict and peace-time service.

Veterans are eligible for admission if they have a chronic disability, are unable to earn a livelihood, but do not require hospitalization or nursing care, and had a discharge from a period of war-time service under conditions other than dishonorable. If a man is a veteran of peace-time service, a service-connected disability is required.

CRASH CLAIMS FOUR
Palm Springs, Calif. (UPI)—Four Californians were killed late Saturday when a small private plane — apparently trying to avoid an in-flight collision — crashed and burned about a half-mile behind a row of homes near Palm Springs airport.

Jacksonville Goody Cookers

The Jacksonville Goody Cookers 4-H club held their Mother's Tea Saturday, April 14, at the home of Maria Heffner. Each girl baked something from her project and coffee and punch were served. Games were played before refreshments were served. Members served and each girl helped with the clean up.

Seizure Said Cause Of Traffic Accident

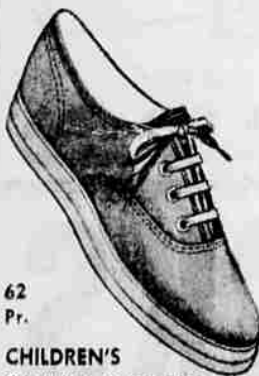

A 20-year-old Phoenix youth suffered an epileptic seizure at the wheel of an auto at 11:10 a.m. Saturday and as a result it crashed into a highway divider at the intersection of highways 99 and 62, Medford police reported.

Jerry Reese Hemingway of box 474, Phoenix, was cited for driving while his operator's license was suspended. He was taken to Sacred Heart hospital, but attendants there were unable to discover any injuries.

An estimated 17 million Americans depend upon tobacco for all or some part of their livelihood.
