NATIONAL FOREST TIMBER
FOR SALE
HIGWAY SELECT NO. 2
Oral auction bids will be received by the Forest Supervisor, or his authorized representative at the Post Office Building, Medford, Oregon, beginning at 2:00 P.M. June 14, 1962, for all merchantable timber, more or less, within sections 15, 16, 21, 22, and 23, T. 31 S., R. 3 E., W. 1 M., surveyed in the Rogue River National Forest, Jackson County, Oregon. The estimated volumes are 226 M board feet of Douglas-fir, 32 M board feet of ponderosa and sugar pine, 42 M board feet of white fir and other species. The minimum acceptable bid per M board feet is as follows: Douglas-fir \$23.50; ponderosa and sugar pine \$13.00; white fir and other species \$7.40. This includes the following rates, per M board feet for stumpage: \$12.00 base rate plus an additional \$1.70 for Douglas-fir; \$5.70 base rate plus an additional \$1.70 for ponderosa and sugar pine; \$2.00 base rate plus an additional \$1.70 for white fir and other species and slash disposal for all species. The prices bid for stumpage shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the monthly Douglas-fir Region Indices, as calculated by the Forest Service or the Western Pine Association Lumber Price Index for the three previous months, and the following base indices: Douglas-fir \$11.96; ponderosa and sugar pine \$2.29; white fir and other species \$3.54(A). Such adjustments in the price for stumpage shall be applicable to timber sealed during the three-month period following the quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates by species are lower than the base rates, the difference between the total dollar value of the timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rate for species not included above shall not be increased above the base rate until the subsequent adjusted rates above the base rate will be published. Sealed bids will be publicly opened and posted at the office of the Forest Supervisor, Medford, Oregon, at 2:00 P.M., on June 14, 1962. All those who submitted a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's check, or check in the sum of \$2,300.00 must accompany each bid, to be applied to the purchase price, refunded or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting it in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, Union Creek Ranger Station, or the Forest Supervisor, Medford, Oregon, before the sealed bids are submitted.
