

Viks Trim Raiders To Gain OCC Title

Portland - Portland State college captured its second straight Oregon Collegiate conference baseball mantle Friday when the Vikings swept two games from Southern Oregon 2 to 1 and 1 to 0.

The triumph stretched the PSC record in the loop to 9-0. Southern Oregon completed league play in second place with an 8-4 standing.

Friday's win gave the Vikings a three-game sweep over the Red Raiders of Ashland. Portland won a Thursday game 5 to 0.

In the Friday opener the Portlanders scored their two runs in the bottom of the seventh and final inning with one out.

Champ Kolb and Gordon Riese singled and a potential double play ball went through pitcher Dave Hughes allowing John Woodward on base to

load the bags. Hughes walked Bob Jones to force in the first run. Then a Portlander hit a pop fly bunt on an attempted squeeze. It was dropped and then booted by first baseman Don Jaquette to permit Gordon Riese to tally the winning run.

Disputed
The pop up was along the first base line and there was dispute as to whether it was fair or foul. Umpires ruled it fair.

SOC tabulated in the first inning. Damien Rossetto walked and stole second base. Hughes, who belted five of the Raiders' nine hits in the three games, singled him home.

Hughes for SOC and Jones for PSC hit two for three in the tussle. Vik pitcher George Bullock, in a four hitter, walked two, fanned three and hit one. Hughes gave up five hits and four bases on balls. He struck out eight.

Only run of the Friday conclusion was in the second inning. Kolb was hit by a pitch and Ted Hendry singled. Larry Hink's throw from right field went through Bill Franks at third base and Kolb romped home.

SOC's only hit in this game off pitcher Hendry was a swinging bunt by Hink. Hendry whiffed batters 14 times and gave five free passes to the bases. Don Johnson chucked three-hit ball for the Raiders, whiffing two, walking four and hitting one.

Drag Races Today at White City

Fast drag racers of southern Oregon and northern California will gun their powerful acceleration machines on the White City drag strip today. The drag meet is sponsored by Southern Oregon Timing association.

Gates open at 8:30 a.m. and timed runs should commence at 9 a.m. and continue through the morning. Elimination heats are scheduled for afternoon. SOTA officials expect some 150 entries. Inclement weather could postpone the meet until May 27.

Several new cars may make appearance. Each spring sees several new cars out for the first meet, their owners having built the entries during the winter. Rumors have been circulated that several new acceleration machines will be seen in action today.

SOTA has put up some cash awards this year and this is expected to draw a few more of the faster cars from such spots as Klamath Falls, Roseburg, Eugene, Redding and the coast cities.

Top and eliminators of today's meet will each win \$25 cash. Little, street and stock eliminators will each take away \$15. Class winners will take home trophies and some will win merchandise awards.

All entries will be subjected to a stiff safety inspection before being allowed to compete on the strip.

Stiff competition is expected to come from California in the California Parts & Equipment dragster of Redding and the "Purple Thing" from Yreka. Both are fast supercharged dragsters which attain speeds of 140-160 miles per hour from a standing start in one-fourth mile distance.

The CPE is powered by a supercharged Chevrolet engine and owned by Jerry Olson and Champ Houston.

Purple Thing, owned by Jack Birdwell and driven by J. D. Zink of Yreka, is a Lincoln-engine acceleration machine.

The Cyclones will carry a 948 plus per game average into the match. Klamath has averaged 847 as a team.

Bob Dempsey, the top average individual of the Cyclones, reportedly will not be with the team today because of a business commitment.

The match is a makeup for one postponed last month.
