Eagle Point PTAs Plan Silver Coffee Hour

Eagle Point — The four Parent Teacher association units of School District 9 are sponsoring a silver coffee hour in the Eagle Point High school gymnasium and the Eagle Point Elementary school gymnasium from 7 to 10 p.m., Thursday, May 24.

Proceeds will go to establish a fund for the purchase of additional instruments to be made available on loan to beginning band students in the district.

Charles Martin, high school music director, Keith Krambeal, Eagle Point Elementary school music director, and Richard Gannaway, music director for Shady Cove Elementary and Elk-Trail Elementary schools, have given their support to the establishment of the fund. With the cooperation of Superintendent Glenn Hale, a policy similar to that governing instruments purchased by the school district, has been devised for the use and maintenance of instruments that may be purchased by the band "loan instrument" fund.

Planning Committee

According to the planning committee composed of Mrs. John Benson, president of the High School PTSA, chairman; Mrs. John Loper, Elk-Trail PTA president; Mrs. Darrel Stanley, Eagle Point PTA president; and Mrs. William Shepherd, Shady Cove PTA president, parent-teacher associations are concerned with the development of the whole child and his abilities. PTA members believe that musical expression is one important means of providing many children the opportunity to develop self-confidence, individual talent, music appreciation and to learn the value of being a contributing member of a group, they said. Mrs. Benson stated that parent-teacher workers are happy to have a part in this project since it will make it possible for more children to participate in the music program of the schools.

The coffee hour has been set for May 24 to coincide with the annual exhibit planned for 7 p.m. by industrial arts instructor, Donald McGovern, and the home economics style revue at 8 p.m. under the direction of Mrs. Donald Geren, home economics instructor. Residents of the entire school district are invited to attend.
