

"Since we got
The Americana,
our children
in grades
5 through 12
have used it
constantly"

—Mr. and Mrs. R. Byron Wilson,
Denver, Colorado

WHETHER you have one child — or nine, as do the R. Byron Wilsons — you'll find that THE AMERICANA becomes a focal point in your family life.

"Since we got THE AMERICANA," Mrs. Wilson wrote to Americana only five months after their set arrived, "our school children in grades 5 through 12 have used it constantly. It gives us a real sense of security to know they have ready access to a wealth of information and knowledge on nearly any subject they would have to write or speak on."

And Mr. Wilson notes that "the books seem to be constantly in use; late at night, I frequently find six or seven of them lying on the table where they've been left by our family of students when homework is over. Spirited discussions among the children as they learn together are a source of great satisfaction to Mrs. Wilson and me."

THE AMERICANA has the combination of qualities needed by your teen-age school child. Here is one reference set which provides both the completeness and authority of a fine adult encyclopedia, and the sheer readability and usefulness so important

to the college-bound school youngster.

In today's race for the limited number of openings in good colleges and universities, can you afford not to give your child this important — perhaps decisive — advantage?

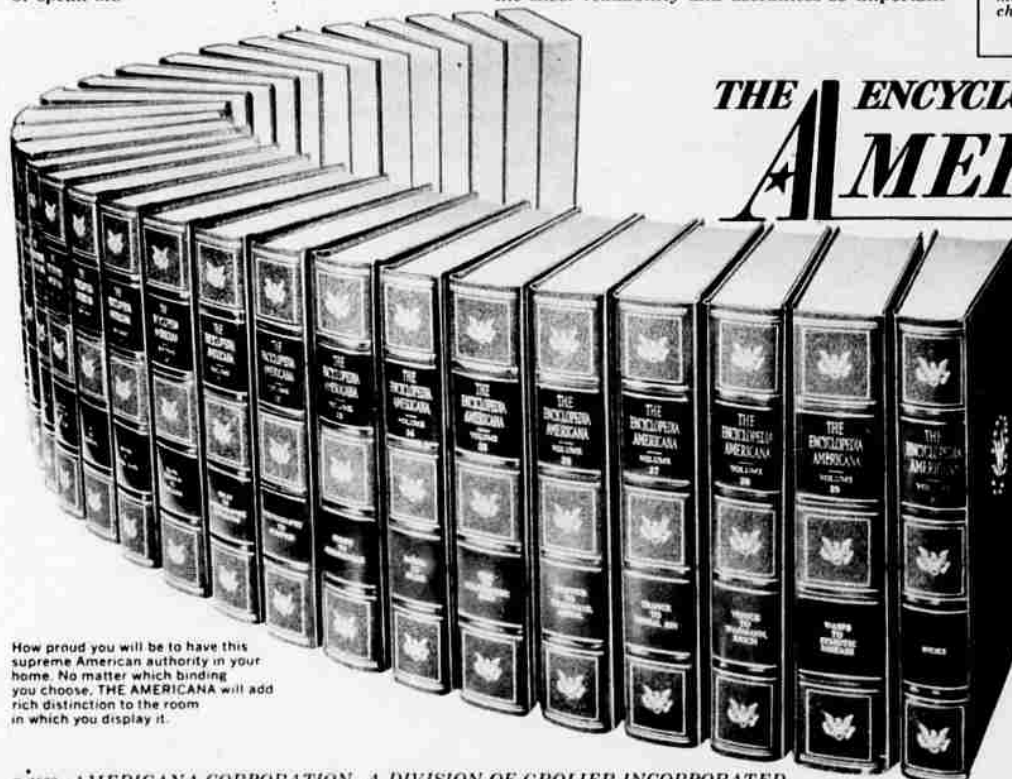

WHAT OTHER AMERICANA FAMILIES SAY

"Tops for information... our sons prefer it to all other encyclopedias."
— H. R. WITTE, Littleton, Colo.

"Our daughter improved her grades... uses The Americana constantly."
— ELMO R. BRANCHAM, Price, Utah

"Of great value in their school work... an investment in the future of our children."
— THOMAS G. BROWN, Chadron, Neb.

"... so easy for the children to find answers to questions in their studies."
— RUSSELL McFADDEN, Espanola, N. M.
