

Meet **BUICK LESABRE**...year's biggest power value!

Just look what Buick LeSabre gives you...the extra zip of exclusive Advanced Thrust (engine moved forward for straighter tracking, flatter cornering, a flatter floor)...the extra wallop of Wildcat V-8 muscle...the extra snap and smoothness of automatic Turbine Drive...the extra safety of finned *aluminum* front brakes. All at no extra cost only in Buick. All priced lower than many "low-priced" car models!
