

Mrs. Harold Thurston of Thurston's Dance studio will present her dance students Monday, May 28 at 7:30 p.m. in the Medford High school auditorium. No charge will be made for the event. Featured will be the ballet, "Swan Lake," for which Mrs. Thurston has done the choreography to depict the entire story in a 40-minute period. Advanced students will appear in the ballet. Also on the program will be a variety of songs and dances by children. Mr. and Mrs. Thurston have operated their dance studio in Medford for the past six years. (Landis photo)

Flower Show To Open In Ashland

Ashland - Entries for the Ashland Garden club's standard spring flower show Saturday will be accepted at the Women's Civic clubhouse on Winburn Way between 6 and 10 a.m.

The show, "Garden of Memories" will be held from 1 until 7:30 p.m. Persons may enter the club at the entrance to Lithia park.

Mrs. E. A. Bay is general chairman for the event.

Arrangement classes include for the amateur: A. Memories of Childhood, arrangement featuring a childhood treasure; B. Widening Horizons, teen memories in a crescent design; C. Memories of Social Triumphs, a corsage; D. Romantic Memories, predominantly white arrangement for a wedding reception; E. Memories of Busy Years, a composition suggesting one of mother's chores; F. Memories of Travel, arrangement suggesting a foreign place.

Advanced amateur classes list the following: G. Memories of Childhood, miniature arrangement under 5 inches; H. Memories of Dancing Dates, a design emphasizing rhythm; I. Memories of Travel, a design inspired by the Orient; J. Memories of Romance Married, one design in close color harmony using two containers; K. Memories of Family, a composition indicating the expanding family circle; L. Modern Memories, a modern floral arrangement.

The schedule for horticulture allows for any type of home-grown specimen although iris will probably predominate. Included are classes for other garden clubs, other women's clubs and juniors.

Prior to the opening of the doors of the flower show to the general public a merchant's lunch will be served elsewhere in the building beginning at 11:30 a.m. A plant sale will also be held.

A panel of accredited judges will judge the show and first, second and third prize ribbons will be awarded in each class.

Ashland Gallery Announces Show

Ashland - A showing of watercolors, prints and drawings by Vincent Le Roy Oredson, Ashland architect, will be held at the Ashland Art gallery, 31 Water street, Saturday, May 26 through June 9.

The gallery is open from 10 a.m. to 1 p.m. daily.

Mr. Oredson was graduated from the University of Minnesota and studied at the Minneapolis School of Art, University of Mexico, Harvard University and the University of Washington. He has worked with the Seattle and Tacoma planning commissions, three different architectural firms and designed houses for Hiroshima, Japan. He now has an office in Ashland.
