### Fond Parents at Graduation Exercises

You see the child who's speaking now?  
The one who made the graceful bow?  
Her poise is something to behold;  
Her knees are steady, gestures bold,  
Her diction's perfect, posture's fine,  
She hasn't missed a single line.  
And really I'd enjoy her text—  
If only Junior weren't on next!

—Betty Billipp

His only daughter was growing up and was now attending her first spring dance. He watched her across the ballroom, remembering the dungaree-clad tomboy of old.

At the end of the evening, as he helped her with her wrap, she asked, "Daddy, do we have to go right away? Can't we wait for Jimmy?"

A sense of loss touched him. "Why? You danced every dance with Jimmy."

"I know," she replied grimly, "and he stomped all over my feet. Boy, just let me get one kick at his shins, Daddy—just one!" —Herm Albricht

"I had almost lost the will to live—then I heard the bells of the ice-cream man."

The neighborhood gossip became bored watching television with her husband. She stood up and fussed with her hair a moment.

"Going someplace?" her husband asked.

"Oh," she replied, "I think I'll just drop in next door for a second. Stir the stew every half hour, will you?" —V. D. Palat

## DESENEX!

compounded with undecylenic acid, a standard

**Athlete's Foot  
Treatment  
used by the  
U.S. ARMY!**

### MEDICAL SCIENTISTS REPORT:

"amazing results" "dramatic improvement"

Probably nowhere is the control of athlete's foot more important than in the Army, Navy and Air Force, with millions of men in service. Thanks to a remarkable Desenex preparation, it no longer is the problem it once was.

The treatment (undecylenic acid) is so simple and dependable, it is now a standard Athlete's Foot Treatment used by the U.S. Armed Forces!

This Desenex treatment is also most often prescribed and recommended by physicians, for it works where others often fail. It promises new freedom from athlete's foot itching, pain and danger of spreading, as evidenced by clinical studies involving over 6200 men and women.\*

### What Desenex does

Desenex seeks out, attacks and kills not only common athlete's foot fungi, but also checks bacteria that often cause more stubborn cases. Maddening itch is relieved, healing rapidly promoted. Simply use Desenex Ointment at night. Powder during day. It's guaranteed to work or money back! Desenex—at all drug counters.

\*Clinical results were described professionally as "dramatic," "immediate," even "amazing." Key facts from these studies by leading hospitals, medical schools and clinics are available to your physician or your foot specialist.
