**Two Auto Crashes  
Kill 11 in Nevada**

Carson City, Nev. - (UPI) - Eleven persons were killed and nine others injured in two accidents during the week end on the Nevada section of Highway 40, according to the Nevada Highway Patrol.

Eight persons were killed and five injured Sunday in a three-car accident near Wells in the eastern part of the state. The crash occurred on a straight stretch of highway in clear weather and is under investigation.

One car carried eight persons, six of whom were killed and two injured. The driver of the car, George D. Myers, 26, and one of the passengers, Brenda L. Migliaccio, 21, were taken to Elko General hospital in serious condition.

Patrolmen said Myers' car collided with a westbound vehicle, taking the lives of Edwin Samulewitsch, 32, and his wife, Hannelore, 24, both of Oakland, Calif. It then struck a third car, injuring three members of a Live Oak, Calif., family.

Three persons were killed and five injured Saturday when two cars collided head-on at an overpass near Fernley in western Nevada.

**Goldberg Lauds  
Private Schools**

Portland - (UPI) - Labor Secretary Arthur Goldberg, wrapping up a three-day visit to the Pacific Northwest, Sunday lauded the role of the private university in "our pluralistic society."

He was the principal speaker at the University of Portland commencement exercises. He received an honorary degree.

Goldberg said "I would not want to see the day when education emanates only from public schools as great as has been their contribution to our society."

He added that "regardless of one's view on the very controversial question of federal aid to education, there can be no argument as to the great contribution of private colleges and universities" to the world.

**Edgar Bergen's  
Son Christened**

Hollywood - (UPI) - Edgar Bergen's 8-month-old son was christened Sunday while his godfather, Jack Benny, held him in his arms.

The Rev. Melvin Wheatly officiated at the brief ceremony in the Wilshire Methodist Church attended by about 20 family friends, including Dick Powell, June Allyson and musician Johnny Greene.

The youngster, apparently baffled by all the commotion about him, didn't resort to crying or sucking his thumb, but reached up and latched on securely to Benny's nose.
