**Central Point Studs
Down Grants Pass**

Memorial Field, White City — Central Point Cheney Studs used a third-inning spree and an insurance sixth frame here last night to launch their American Legion junior baseball season with a 9 to 5 non-league victory over Grants Pass.

Lou Alvarez paced the Stud offense with two three-base smashes and three runs driven in. The Pepper brothers, Mike and Larry combined for eight-hit pitching in which GP batters fanned 10 times and six walks were issued.

Central Point engages in non-league contention again on Friday when its plays Medford's Legion nine at this Veterans Administration domiciliary diamond. "Play ball" is to be called at 7:30 p.m. This will be Medford's start-

BANQUET SPEAKER — Ted Ogdahl, above, will be speaker at the St. Mary's High school athletic banquet on Saturday night, June 2, at Rogue Valley Country club. Ogdahl is head football and track coach at Willamette university. He was named Oregon man of the year in sports in 1961 in recognition for his Bearcat grid team's unbeaten and untied season in 1960. The dinner is set for 7 p.m. Tickets may be purchased at Barker's Men's store, or reservations may be phoned to 773-2523.

**Lake Fishing
Fair To Good**

Portland — UPI — Here is the Oregon week end fishing outlook, as prepared by the Oregon state game commission:

Southwest: Spring chinook angling good in upper Umpqua and North Umpqua. Trout angling good in North and South Umpqua, lower Umpqua, Smith river, and upper Applegate river; fair to good in south-western lakes; slow on Rogue and lower Applegate. Chinook fishing at Winchester Bay could improve anytime. Striped bass being taken at Gardiner and sturgeon being caught along coast.

Central: East and Paulina Lakes good on trolling bait, single eggs or worms. Campgrounds still wet. South Twin, North Twin, Big Lava, Elk and Mud Lakes good. Snow still plentiful. Little Cultus, Crane Prairie and Blue Lake fair to good. Wickup Reservoir fair to poor. Prineville Reservoir good for both rainbow and bass.

**Game Commission Consultant
To Aid at Teacher Workshops**

Portland — For the eighth straight year the Oregon game commission will cooperate with the state system of higher education by providing a resources management consultant at outdoor education and conservation workshops scheduled for elementary and secondary teachers this summer.

Austin Hamer, conservation education supervisor for the game commission, will use his specialized knowledge and talents to bring to the teachers-students the recreational and economic picture of Oregon's wildlife resources. Resource specialists from other state, federal, and private agencies will assist in rounding out the broad interrelationships of multiple natural resource use.

Kickoff for the teacher workshops this summer will be June at Camp Arrah Wana just south of Wemme on the Mt Hood highway, where two sessions have been scheduled. The first will be an introductory course to outdoor education extending through June 16 and the second an advanced course from June 17 through 23. Sponsoring the workshops is Oregon State

ing game. It will also be a non-counter.

The Studs last night scored six runs in the third frame on four hits, three bases on balls and four errors. Neil Rivenburg led off the inning by walking. He got all the way to third base on a miscue on Don Kilbourn's bunt and scored on a double steal. Howard Tomlinson's hit and a series of three errors permitted both Kilbourn and Tomlinson to tally.

Mike Glines walked and was tripled home by Alvarez. Jeff Anhorn drew a free pass and swiped second. Dave Twedell knocked home Alvarez and Anhorn scored on Rivenburg's hit.

In the sixth inning for three runs Tomlinson walked, Glines singled, Alvarez three-based and Pat Pepper hit.

Grants Pass collected four runs in the fifth inning when it got four hits, three of them of the infield variety. Rich Wolney led off with a solid sock to the outfield. Mike Millemann walked and Larry Pepper relieved Mike Pepper on the mound. Gary Reddick was safe on a tap to shortstop to fill the bases. Wolney scored on a wild pitch.

Four Fan In Inning

Roy Standley walked to fill the sacks again and Bob Peters singled home Millemann. Another infield tap by Bill Standley scored Reddick. Roy Standley then crossed the platter on a fielder's option blow by Fritz DeBo.

Larry Pepper struck out four batters in the sixth inning but his first victim got on base on a passed ball and rounded the bases on a walk to Wolney and successive safeties by Millemann and Reddick.

Getting two hits each in the fricas along with Alvarez were Glines and Twedell of Central Point and Wolney and Millemann of GP.

Mike Pepper yielded three hits and four walks and struck out three in four innings plus. He was charged with two GP runs. Larry Pepper gave up the other three runs along with five hits and two walks. He whiffed seven.

Double Play

Jerry McCormack hurled four innings for Grants Pass. He permitted five hits and six runs, walking five and striking out three. Dave Hauntz was tagged for four hits and three runs in the last two frames as he issued three free passes and struckout two.

Grants Pass broke up a Central Point threat in the first inning by catching a runner off base then executing a double play.

In the first inning the Climate city's lead off man, Wolney doubled and went to third base on a passed ball but did not score. Don Kilbourn, taking a Millemann fly ball in right field, held the runner on. Reddick grounded to starting Stud first baseman Harold Allen and was tagged out as Allen kept a sharp eye on third sack.

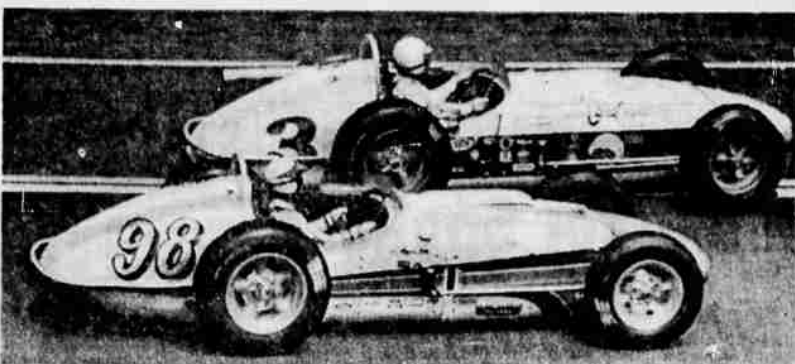

Dave Hauntz then grounded to Glines at third base. Glines had trouble fielding the ball but threw hard in time to first. Allen stretching for the toss had his lower leg stepped on by Hauntz and was unable to continue in play.

LINESCORE:
Grants Pass: 000 041 0-5 8 8
Central Point: 008 003 2-9 2 2
McCormack: 9-0
Pepper: 1-5
Peters: M. Pepper, L. Pepper (5) and Anhorn.

WARD ROARS TO VICTORY IN INDY 500

**New Mark
Of 140.292
Set in Race**

By ED SAINSBURY
Indianapolis — UPI — New Speedway king Roger Ward's record roar around the Indianapolis oval figures out to at least \$240 a mile.

WARD TAKES LEAD — Roger Ward (Car 3), who won the Indianapolis 500-mile auto race yesterday, takes the lead from Parnelli Jones (Car 98) at the 320-mile mark. Jones, who was forced to coast when his brakes burned out so that he could lose enough speed to stop at pits, could only watch here. (UPI)

Ward's average rate of 140.292 miles an hour was the fastest yet. And what is just as pleasing to a professional driver, his purse also figures to reach the record proportions of \$120,000, maybe more.

It was the second Speedway victory for the 41-year-old Ward, who is due to receive the paycheck tonight.

Ward, who took a lot of pre-race kidding about his age compared to the ages of some other drivers, indicated after-

and reassurances, Ward was ready to take charge. He moved in front and led until only 40 laps remained in the 200 lap race.

At that point, he made his third stop for fuel and tires and teammate Len Sutton took charge for nine laps before he paused to pit and Ward set the pace for the last 30 laps.

Sutton Finishes Second

Sutton, driving a twin to Ward's car, finished second to give owners Bob Wilke of Milwaukee a one-two finish, the third time in Speedway history. The only previous occasions were in 1947 and 1948 when Mauri Rose and Bill Holland ran one-two, each year in Blue Crown specials owned by Lou Moore.

The first four finishers broke the old speed record of 139.13 set by A. J. Foyt in winning last year. Sutton was timed at 140.167, third place Eddie Sachs at 140.075, and fourth place Don Davis at 139.768.

The scorching speed came despite five accidents which slowed the field to speeds of not more than 120 miles per hour for 38 minutes and 18 seconds. Two drivers, Jack Turner and Roger McCluskey, were hospitalized with injuries, classed as not serious.

**Ducks Defeat OSU
In Track Tussle**

Corvallis — UPI — The Oregon track Ducks are ready for the big one.

The unbeaten Ducks, sparked by Jerry Torr and Harry Jerome, walloped Oregon State 85-59 in a dual meet Wednesday.

It was their 10th straight two-way victory this year. It also was Oregon's final scheduled competition until the NCAA championships at Eugene June 15-16.

Torr, a senior from Bakersfield, Calif., smashed meet and field records in winning the 120-yard high hurdles and the 220-yard lows. He captured the highs in 13.6 seconds and flashed home first in the lows in 23.3.

Jerome, a powerful junior from Vancouver, B.C., won the 100-yard dash in 9.5 and captured the 220 in 21.3. Another Canadian, Lynn Eves of

car, both showed slight dissatisfaction with the winning car despite the record speed.

Ward commented that the car "didn't run quite as fast as I thought it would, but it ran quite well." Said Watson, "we didn't have the power in the straightaways, and Roger had to drive harder in the corners."

That payoff will make him the richest driver ever to run on the ancient 2 1/2 mile track, and it'll increase his total earnings from the Speedway to about \$250,000.

His dollar earnings just about equal the number of people in the crowd who watched him Wednesday, when he held his own in the early going with faster rivals and then was in excellent position to take charge in the late going.

Youngster Parnelli Jones, the only driver ever to run an official Speedway lap over 150 miles per hour, set the pace from the start. He led officially for 123 of the first 124 laps. But during that stretch, his brakes gave out.

Thus when he had to come in to the pits for tires, fuel

**Art Pollard
Winner in
100-Lap Run**

Art Pollard, Medford auto racer, drove to triumph yesterday in 100-lap Buguee Memorial race for modified sportsman cars at Eugene.

The 37 1/2-mile race required about 55 minutes.

Ernie Koch, Portland, was second and Bill Hyde, Portland, was third.

Eighteen cars were in competition in the main race and Pollard, with the second fastest time trial, started at the rear.

Pollard was third in a close trophy dash which was won by Hyde with Koch second. The Medford driver was second, behind Palmer Crowell, in the fast heat. Koch was third.

**Rogue Yachters
Place in Races**

Three members of Rogue Yacht club collected honors Sunday in the Eugene Yacht club regatta at Fern Ridge.

RYC Commodore Herb Hoser gained a second and two fourths in a field of 17 boats sailing his 13 1/2-foot blue Jay.

Aubrey Nash sailing his Slido 14 took three seconds against the same number of contestants. John Flett skippered a 17-foot thistle to third in the unlimited class.

Rogue club will have a meeting at 7:30 o'clock this evening at the Bob Schmidt home on Old Stage rd. Racing rules and the division of Emigrant lake into skiing, fishing and sailing areas will be discussed. Sailboaters interested in the club are asked to telephone Jud Parsons at 773-2307.

RYC members praised the hospitality of the Eugene club and the sportsmanship of the approximately 75 sailboat skippers at Fern Ridge.
