An estimated 100,000 clay targets will be shot at and the biggest share of them shattered by gunners this week end in the Oregon State shoot of the Pacific International Trapshooting association at Medford Gun club.

Some 91,000 were thrown two weeks ago at the Oregon shoot of the American Trapshooting association and the PITA is said to be a much bigger event.

Preparations at the Medford club have included the ordering of 125,000 of the clay pigeons.

The shoot will open Friday morning and will continue into Sunday with shotgunners each having opportunity to blaze away at 650 registered birds. Many of the contestants are expected to be on hand for practice on Thursday.

**Club Fixed Up**

The local gun club and grounds have been completely rehabilitated and cleaned up for the invasion of the shooters. Work included painting of the clubhouse. Much of the work has been done by Floyd Young. Local committee for the tourney is headed by Myron Andrews, club president.

Harold Woolley, Drain, secretary of the PITA, will supervise the shoot. He is expected to come here Wednesday to set up for the event.

Competition will be singles and doubles at 16 yards and in handicap events.

A good delegation of out-of-state entrants is foreseen although they will not be eligible for Oregon titles.

Ashland High school basketball fortunes have fared badly for some three seasons. But, perhaps, next season Grizzly cagers will be on the upswing. Something will be done this summer which could improve the outlook. Basketball activity will be part of the summer recreation program in the Lithia city.

**NO FUNDS FOR TEAM**

It's a shame that Ashland, for lack of financing, will be unable to have an American Legion junior baseball team this season. What makes it bad is that Ashland, under the helm of Coach Billy Leybold, had a team ready, willing and eager to play. We don't know the full story on why the finances were not forthcoming so hesitate to comment on that matter. Bill indicated that the boys will go to work on means of acquiring funds so that a team can be supported next season.

**TREAT MISSED**

Fans who missed the Medford-Central Point Studs Legion contest last Friday missed a treat. We hope word gets around and that a lot more fans make the trip out to White City to see the teams in action this Friday. Baseball being the unpredictable game it is, we can't guarantee the next game will be as good as the last. But the two teams have a tradition of fine rivalry. The teams have some fine talent. They put hearts and souls into their games and they are deserving of support even if it means driving some 10 miles to see them play.

And don't pass up the Wednesday tangle between Roseburg's defending state champions and the Central Point team.

**COMET GRID SCHEDULE**

A copy of the Crater High school 1962 football schedule recently arrived on the sports desk. Coach Keith Johnson's Comets will play a schedule of eight games beginning with a tussle against Bend at Central Point on Sept. 14. Crater will play Reynolds at Troutdale on Sept. 22 and Coquille there on Sept. 28. October 5 is open.

The Comets, aiming to have their new stadium ready, have scheduled Medford varsity gridgers for the first time at Central Point. The game on Oct. 5 will be a conference opener.

Also on the Crater slate are Yreka at Central Point on Oct. 19, Grants Pass at Central Point on Oct. 26, Klamath Falls there on Nov. 2 and Ashland there on Nov. 9.

**HAMILTON PLAYS RUGBY**

Robert Hamilton, 1960 graduate of Medford High school and student body president as a senior played on the undefeated Dartmouth college B rugby team this school year. He was the team's fullback. The B crew opposed all the Ivy league schools during the fall and spring term. It played 24 games without a loss.

Many of the B team members will move to the A club next year and the ex-Black Tornado trackman may have his sights also on moving up. Dartmouth's A combine traveled to Ireland this spring for a series of conflicts.

Hamilton wrote to his parents, Mr. and Mrs. Moore Hamilton, that injuries are frequent in the sport and that he had received a cracked ankle and broken nose during the spring season.

Rugby is not college-supported at Dartmouth. Players are members of the Rugby club and pay their own way to games. The tussles are subsidized by alumni and other enthusiasts called the "Friends of Rugby." Graduate students and undergrads play on the teams. Hamilton is a sophomore this season.

The sport is becoming recognized on the Pacific coast. Stanford has had a rugby team for several years. University of Oregon and Oregon State university had teams this year.

## Central Pt. Studs Entertain Roseburg

Central Point - The American Legion junior baseball Oregon state defending champions invade the Rogue river valley Wednesday evening for a non-league skirmish.

Roseburg's Lockwood Motors team will be guest of the Central Point Cheney Studs. The game is set for 7:30 p.m. at Memorial Field, White City.

This will be the third tussle between the teams this season. Roseburg took both ends of a Sunday twinbill at Roseburg, 4 to 2 and 9 to 2.

The two clubs are both in Area 4 of the state, but in separate divisions. Roseburg is in the northern sector and Central Point in the southern. The Lockwood team last year advanced through state eliminations by beating Klamath Falls Falcons, southern division champions, by topping North Salem in state semifinals and by whipping Watco Electric, Portland, in the state final series.

**Allen Recuperates**

A good number of last year's players are back. Roseburg draws its players from a number of Douglas county high schools. Central Point players are from Crater High.

Cheney Studs coach and manager, Bill Askwith, reported that Harold Allen, who had the back of his leg stepped on in a game last Wednesday with Grants Pass, has recuperated to the extent that he saw service in the second game with Roseburg on Sunday. Either he or Howard Tomlinson will be at first base tomorrow evening.

Askwith said that he plans to have Larry Mason go on the hill against Lockwood. Mike Pepper will be in reserve.

Central Point meets Medford this Friday, also at White City. Both teams open their division play on Sunday. The Studs will oppose the Klamath Falcons at Klamath Falls and Medford will contend at Grants Pass.

## Cincinnati Club Ordered To Open Its Books

Columbus, Ohio - UPI - Ohio Atty. Gen. Mark McElroy plans to ask the courts this week to order the Cincinnati Baseball Club Co. to open its books to a group of prospective buyers.

The Crosley Foundation sold the Cincinnati Reds to general manager William O. (Bill) DeWitt for \$4,825,000 on March 23. The foundation received a major share of stock in the club following the death last year of longtime Reds owner Powell Crosley Jr.

Shortly after the sale to DeWitt was announced, a syndicate headed by Cincinnati real estate developer Joseph F. Rippe said it offered \$5.5 million for the club.

However, the foundation said Rippe never made a formal offer.

McElroy questioned the sale. He said state law made him legally responsible for the operation of the charitable trusts, of which the Crosley Foundation is one.

Susanville, Calif. - UPI - Five Reed College, Oregon, students were injured Monday when their car went out of control and rolled over on U. S. 395 about eight miles south of Madeline.

The others, all listed in satisfactory condition, were Margaret Lewis, 21, of Somers, England; the driver, Roger Norton, 20, Lakewood, Colo.; Alana Kurlane, 20, Phillipsburg, N.J.; and Judith Bell, 21, Boulder City, Nev.

## Phoenix Wins Trophy for Sportsmanship

Phoenix - Phoenix High School has been awarded the 1961-62 Rogue League Sportsmanship trophy according to official releases this week.

This rating is presented by the school membership of the league, voting being cast by the coaches, cheerleaders and student body council of participating schools, and is awarded to that school which has maintained the highest standing in sportsmanship in sports activities throughout the year.

The award was especially significant in that it was won in a year in which Phoenix High school was State Co-Champions in A-2 football.

# RESULTS!

Newspaper Advertising Scores More Sales than Other Media

The nation's local advertisers invested \$2.7 billion in newspapers last year. That's six times as much as they spent in radio, nine times as much as in TV, three times as much in newspapers as in all other major media combined!

Herman C. Nolen, president of McKesson & Robbins, Inc., puts it this way: "We at McKesson feel that if you place an advertisement in a newspaper the result is—something happens. You get action."

If you want action, if you want results—use the daily newspaper.
