

### 10 Raider Marks Set In Track

Ashland - Ten brand new Southern Oregon College track and field marks went into the record book this year. And, in addition to the ten new standards, two more were tied during the 1962 season to run the total of Red Raider record performances to a phenomenal 20 over the last two years.

Heading the list of record-breakers was freshman Bill White who had a hand in on no less than four of the marks. The ex-Coquille high school hurdler set new standards in the low hurdles, 24.4 seconds, and the 440-yard hurdles, 56.5. He also tied Howard Hartman's school mark of 14.9 in the high hurdles, and also ran a leg in the Southern Oregon mile relay team that broke the old school record of 3:27.6 by one-tenth of a second.

Jerry Arndt, junior distance runner from Gold Beach, claimed three standards. He ran the mile in 4:23, the two mile in 9:48.4, and the three mile in 15:24.5.

Junior speedster Doyle Bransom, in addition to running up an unbeaten record in the two sprint events this year, broke his own broad jump mark by leaping 22 feet, 10 1/2 inches. He tied his 220 record of 22.0. Bransom also holds the SOC 100-yard dash mark of 9.5.

Fred Thomas cracked one of the oldest records in the book when he cleared 6 feet, 3 3/4 inches in the high jump early in the season. The old mark of 6-3 1/2 set by Bill Hollingsworth had stood since 1956. The former Grants Pass prepster also established a record of 44 feet in the hop-step and jump this season.

Sophomore Mike Hanby shattered the other record by vaulting 14 feet, 1/2 inch to erase John Harvey's old pole vault height of 12-4 1/2 set in 1960.

Joining with White in setting the new mile relay mark were Bransom, Charles Swingle and Dave Graham. Graham, a junior quarter-miler from Ashland, came within one-tenth of a second from Earl James' 440 standard of 49.9 set back in 1956.

Behind the tremendous assault on the Raider record book, Coach Dan Bulkley's crew won its first Oregon Collegiate Conference championship in seven years, and also claimed the first District 2 NAIA crown in the school's history.

Of the five Southern Oregonians who competed in the NAIA finals in Sioux Falls, S.D. last week, only Hanby placed with a tie for third in the pole vault at 13-7 1/2.

### Farm Director In Stands as Bears Sparkle

United Press International - Those Yakima Bears of the Northwest League certainly recognize opportunity when it knocks.

Thursday night they did their stuff before John Mullen, farm director of the Milwaukee Braves of the National league and blanked Salem 12-0.

Tri-City topped Wenatchee 7-4 and Lewiston edged Eugene 4-3 in 12 innings in other games.

Yakima, a farm club of the Braves, coasted home behind the four-hit pitching of Roger Roy who registered his second straight shutout and now stands 4-2.

The Bears rattled out 12 hits among them a two-run homer in the sixth by Kerry Buckner.

Tri-City got solo homers from Bob Rudd and Gary Johnson and also tallied four runs in the eighth to take Wenatchee. Pitcher Lee Featherstone provided the big punch in the eighth with a two-run double.

Wayne Norton scored on an outfield error in the 12th as Lewiston nipped Eugene. Referee Jerry Ather collected his third win in four starts for the Braves.

**ROBINSON IN FINAL**  
Portland - June Robinson of Albany and Mrs. Harold Weiss of Portland met today in the 27-hole finals of the Oregon Women's Public Links Golf Tournament. Miss Robinson defeated Mrs. Ed Beck of Portland 6 and 5 and Mrs. Weiss won over defeated Mrs. C. E. Stephenson of Portland by the same score in semi-final matches Thursday.

### BOWLING

**TUESDAY MIXED LEAGUE**  
Four B's (10-2) 4. Art Baker 326; Pinbusters (13-0) 0. Ray Robinson 460.

Four Idiots (8-4) 4. Clyde Williams 480; Pinneers (13-9) 0. Chuck Hefner 432.  
Team No. 8 (15-7) 2. Dick Phillips 322; Team No. 9 (12-10) 2. Jim White 310.  
Ralph Thomas 198-197. Art Baker 197. Four B's 192.

### Southern Oregon Junior Baseball Plans Outlined

A total of 16 teams will engage in Southern Oregon Junior Baseball league play this season, Commissioner Don Miller, Central Point, has reported.

There will be six teams each in the pee wee and intermediate circuits and four clubs in the junior league.

Central Point Braves and Indians, Medford Tigers and Wildcats, Jacksonville and Phoenix-Talent will field pee wee clubs. In the intermediate loop will be Central Point Rams and Stars, Jacksonville, Medford Giants and Yankees and Phoenix-Talent.

Yreka, Calif., Central Point Mustangs, Crater Cubs and Medford will have junior league clubs.

Pee wee league is for boys 12 years of age and under, the

intermediate for those 14 and under and the junior for those 16 and under. Another way of putting it is that boys who had not reached their 13th birthday on Jan. 1 are eligible for pee wee ball, those who had not reached 15 on Jan. 1 may play intermediate ball and those who had not reached 17 on the same date are eligible for the junior division.

Games will be five innings for pee wee and seven for the other classifications. Intermediates and juniors will vie on regular sized diamonds. Pee wee fields will have 75 feet between bases and 50 feet 6 inches from home plate to the pitcher's slab.

The intermediate schedule will begin on June 25, pee wee on June 26 and junior on June 27.

### Clyde Richmond High in Shoot

Clyde Richmond led Medford Rifle and Pistol club rifle shooters in their weekly shoot Wednesday night with the score of 379 out of possible 400 in four position firing. Jerry Heitmanek had 376, Marty Perreard 370, Marvin Nelson 365, Ernie Cox 357.

It was decided to keep the Wednesday night shooting going, combining both senior and junior shooters. Both iron sights and scope sights may be used.

The club will hold an outdoor .22 caliber shoot on June 24 for juniors and seniors.

### LEG INJURY IMPROVES

New York - (AP) - Ty Cline of the Cleveland Indians said Thursday he expects to be released from Lenox Hill Hospital by Saturday. The rookie outfielder suffered an aggravation of a thigh injury during Wednesday's game against the New York Yankees.

### Recreation Survey Chairman To Address Izaak Waltonians

Portland - Laurance S. Rockefeller, chairman of the outdoor recreation resources review commission, will be one of the keynote speakers at the national Izaak Walton league convention in Portland, June 20 to 23.

Rockefeller's talk will initiate discussion of how America may develop resources and facilities to meet an expected three-fold increase in outdoor recreation activity by the year 2000. The commission Rockefeller heads recently completed the first nationwide survey and study of U. S. outdoor recreation resources and facilities.

In its recently issued report, the commission recommended:

Development of a national outdoor recreation policy and guidelines for management of all outdoor recreation resources; expansion, modifica-

tion and intensification of present outdoor recreational programs; and establishment of a federal Bureau of Outdoor Recreation and a federal grants-in-aid program to the states.

One recommendation of the report has already been implemented by the establishment of the U. S. bureau of outdoor recreation.
