

### Terrorists Fire on Moslem Workers

Algiers—UPI—A Secret Army Organization (OAS) machine gun squad opened fire on a group of Moslem workers in the Hussein-Dey area Thursday less than 12 hours after it announced the end of its week-long one-sided truce in Algiers.

Three of the Moslems died on the spot, and less than an hour later another Moslem was shot and killed.

The OAS announced the end of its self-imposed cease-fire Wednesday night and less than an hour later two plastic bombs blew up part of the Hussein-Dey post office. Early this morning a group of armed men set another charge which further wrecked the building.
