Ceremony At Home Weds Pair

Miss Sharon Marie Easton, 35 North Orange street, became the bride of Teddy Lee Friesen, 1523 Bryant street, in a 6:30 o'clock evening ceremony performed May 26 by Rev. Loyce Carver of the Apostolic Faith church. The wedding was held in the minister's home at 901 North Central avenue.

The bride is a daughter of Mr. and Mrs. William J. Easton, Wolf Creek, Ore., and the bridegroom is a son of the late Mr. and Mrs. Albert Friesen.

The bride's gown was of lace over net and tulle, trimmed with sequins, and her elbow length veil was trimmed with seed pearls and sequins. She carried a white Bible with a white orchid and white carnations.

Pink and white gladiolus and pink roses decorated the Carver home.

Arthur Friesen was soloist accompanied by Mrs. Lloyd Tyson Jr.

About 40 guests attended the wedding and reception given by Mrs. Carver, Mrs. Homer Frymire and Mrs. Marvin Frymire immediately after the ceremony. Miss Kathy Friesen, sister of the bridegroom, served the coffee and Mrs. Carver cut and served the cake which had been made and decorated by Mrs. Wilbur Hunt. Pouring punch was Mrs. Marvin Frymire.

Out-of-town guests were Mr. and Mrs. Earl Brandow, Portland, and Mr. and Mrs. Melvin Frost, Grants Pass.

The bride attended Grants Pass High school and is employed in the offices of the Dumas Domestic Laundry. The bridegroom attended Eureka, Calif., High school and is employed by the Expert Cleaning Service.

For traveling the bride wore a pink suit with white accessories.

The couple is living at 819 Peach street.

Events Slated

A coffee hour for newcomers to the Medford area will be held Tuesday, June 12 at 10 a.m., in the home of Mrs. Kenneth Russell, 1876 Easy street.

On Saturday, June 16 at 7 p.m., a potluck party for couples new to the vicinity is planned at the Girls Community club.

Charles Hillestad, who will be a senior in Ashland High school next fall and who is president of the International Relations League of the school, poses here with Roy Neal, Ashland, new president of the Jackson County chapter, Oregon United Nations association. Young Hillestad was one of the Jackson county high school students who took the United Nations examination last winter in an effort to qualify for enrollment

in the Institute for the Collegiate Council for the United Nations in New York this summer. His test was judged "good". The institute opens June 16 at Sarah Lawrence college, New York. Mr. Neal's son, Larry, now a Stanford university senior, was the Oregon winner in 1958. Young Hillestad plans to study political science upon enrollment in college.

New UN Chapter Head States Goals for Year

Roy Neal, Ashland man who was recently elected president of the Jackson county chapter, Oregon United Nations association, hopes to interest a greater number of southern Oregon residents in the United Nations in coming months. Mr. Neal believes that the UN is the main hope of the world to "improve civilization."

"I am convinced that working with and through the United Nations is the most effective way of preserving and improving our civilization," Mr. Neal said yesterday. "I feel that it is the only way in which we can preserve a domestic way of life. It is also the most economical method in terms of U.S. material and effort because it employs the energies and enthusiasm of others to create

purposes, methods and accomplishments of the UN.

"The American association for the United States was formed in 1945 for the purpose of building support for the United Nations. The Jackson County chapter believes this can best be done by serving as a source of information about the problems, the challenges and the scope of activity of the United Nations."

"We invite the active participation of all interested persons in sharing this information with us and discussing it with others."
