Quips and Quotes

Oh, Brother!

Mr. Tourist out to roam
Wears clothes to knock your eye out.
Loud shorts he'd never don at home
Get their initial tryout,
And screaming sport shirts, hid away
Since they arrived as presents,
Are now exposed to light of day
And dazzled eyes of peasants.

Yet Mr. Tourist's clothes are mild
If one begins comparing
An outfit as completely wild
As that his wife is wearing.

—Hal Chadwick

Returning from her first Sunday-school class, a
little girl was questioned about it by her family.
"How many are in the class?" asked her mother.
"Well," the youngster said thoughtfully, "there
are 13, counting Jesus."
—Beatrice Plumb

An Englishman visited the United States and
after several years decided he liked it well
enough to become a citizen. When he wrote his
family back home, however, they were disturbed.
"What do you gain by becoming an American?"
his father asked.

"For one thing," the new citizen replied, "I won
the American Revolution."

—John Shotwell

A housewife saw her next-door neighbor hur-
riedly leaving her house. She was dressed neatly,
but lists and notes stuck out of her bulging purse.
"Going shopping, I see," said the housewife.
"Oh, no," the neighbor replied, "I haven't time
today. I'm just going to buy some things I need."
—A. T. Quigg

"I wish you'd fix up that birdhouse. We're
getting a rougher element every year!"

Married women are sharing this secret

... the new, easier, surer protection
for those most intimate marriage problems

What a blessing to be able to
trust in the wonderful germi-
cidal protection Norforms can
give you. Norforms have a
highly perfected new formula
that releases antiseptic and
germicidal ingredients with
long-lasting action. The exclu-
sive new base melts at body
temperature, forming a power-
ful protective film that guards
(but will not harm) the deli-
cate tissues.

And Norforms' deodorant pro-
tection has been tested in a hos-
pital clinic and found to be

more effective than anything
it had ever used. Norforms
eliminate (rather than cover up)
embarrassing odors, yet have
no "medicine" or "disinfect-
ant" odor themselves.

And what convenience! These
small feminine suppositories
are so easy and convenient to
use. Just insert—no apparatus,
mixing or measuring. They're
greaseless and they keep in
any climate.

Now available in new pack-
ages of 6, as well as 12 and 24.
Also available in Canada.
