J.—Tom Stith, two-time All-America from St. Bonaventure who was the New York Knickerbockers' No. 1 draft choice in 1961, reported to the club's summer training camp Monday, hopeful he has recovered completely from tuberculosis. Stith was hospitalized for nearly three months and has not had a basketball in his hands for nearly 15 months.

### Nash Victor In Sunday Sail Races

The ideal wind and sunny weather combined Sunday for the best day so far this year for the sailboat races held by the Rogue Yacht club at Emigrant lake. Aubrey Nash, Grants Pass, was up to his usual performance and placed first in both races in his lido 14. Herb Hoser in his blue jay with Mike Craig as crew was

a little anxious in the second race and crossed the starting line one second too early, thereby forcing him to return for a restart that placed him in last position. Herb kept the spectators entertained with daring technique of sailing his boat on the verge of tipping over and in almost tangling masts with the Olson snipe during right of way battles.

**Youngsters Do Well**  
Gregg Schmidt and Wendy Flett in their el torro, the smallest boat in the race, indicated that the younger generation can be equal to or frequently better than the older skippers. A lot of interest is being shown in the El Torro class due to its low initial cost, no operating expense, and its suitability for children as well as adults to handle.

**TRADE LINEBACKERS**  
San Francisco — Coach Red Hickey of the San Francisco Forty Niners wheeled and dealt today in an effort to beef up the team's uncertain linebacking. Expressing disappointment in the work of Bob Harrison, Hickey Tuesday dealt the three year veteran to the Philadelphia Eagles in exchange for a high draft choice. Harrison, a middle linebacker, got the word one day after Gordon Kelley, another member of the linebacking brigade, was traded to the Washington Redskins for what also was described as a high draft selection.

daughters as crew but finished without the slightest indication of mutiny, frayed nerves or being thrown overboard. An extra bonus was given to some skippers in that they were asked to give rides to several models while the Grants Pass Photography club took pictures.

A meeting of the Rogue Yacht club will be held at Bob Schmidt's, on Old Stage rd. tonight, at 8 o'clock. Final arrangements will be made for trailing of boats to Howard Prairie on Sunday, June 16.

### Motorcycle Scrambles Saturday

Grants Pass — Rogue Valley Riders will present another motorcycle tourist trophy scrambles event on Saturday night, June 16, at the Josephine County fairgrounds.

A large entry is anticipated for the 8 p.m. event with riders coming from the upper Willamette valley, the coast area and northern California. The Rogue valley representation is expected to include riders from Medford, Eagle Point and Central Point.

Members of the host club also will contend. **Horn Tops Points Race**  
Frank Horn, Glide, likely will be on hand to protect his top spot in the points race for the track trophy. Ken Dole, Medford, will be back to try to add to his point total.

A special event will be competition in a 50 cc class. Sponsors reported that the track has been improved for the evening program.

Spectators will view the races from a covered grandstand.

Miss Carolyn King, Grants Pass, will present the trophies. Cliff Murry will be the announcer.

A concession stand will be in operation.

### 13 Yankees Advance in British Am

Hoylake, England — David (Spee) Goldman and Bob Sweeney, a pair of aging but able golfers, were among 13 American survivors who moved out for second and third round matches today in the British Amateur championship.

Goldman, a 53-year-old businessman from Dallas, Tex., who was the runner-up in last week's French Amateur, faced England's B. E. Rimmer while Sweeney, a 50-year-old New Yorker who won this tournament in 1937, met Irishman John Glover in second round matches.

Mike Sanger of Bedford, N.Y., drew the toughest second round opponent among the Yankees. He was pitted against British Ryder Cupper Mike Lunt. Former Wimbledon tennis champion Bob Falkenberg, a California native who now resides in Brazil, played Dr. C. C. Bird of Scotland.

Other second round matches involving Americans pitted Richard Davies of Pasadena, Calif., against England's D. P. Davidson, John Nicholson of Glen Cove, N.Y., against England's Rodney Foster, Lynn Creason of Las Vegas, Nev., against Jean Louis du Pont of France, Boyd O'Donnell of Los Angeles against England's Norman Jones, and Lt. Monroe Binky Mitchell of Fort Worth, Tex., against England's Tony Stark.

**GIANTS RECALL LEMAY**  
Cincinnati — Pitcher Dick Lemay returned to the San Francisco Giants Tuesday, having been recalled from Tacoma of the Pacific Coast League where he had a 2-1 mark. Gaylord Perry, who compiled a 2-1 record with the Giants this season, has been optioned to Tacoma to make room for Lemay.

### Steelhead Cards Due On July 1

Portland — Salmon and steelhead anglers are again asked to cooperate in the management of these great game fish by returning to the game commission the salmon-steelhead punch card purchased during the 1961 season.

Phil Schneider, state game director, reported many punch cards already returned by anglers since the beginning of the year, but said that more than one-half of the almost 190,000 salmon and steelhead cards issued are still being retained by anglers.

According to the law, these punch cards must be returned to the game commission by July 1 following the expiration date at the end of the calendar year. The time limitation is now less than a month away. Schneider said that failure to comply with this regulation could result in the individual being denied a salmon-steelhead license.

**Cards Important**  
Although the commission has been reluctant to deny anyone the privilege of salmon and steelhead angling for failure to return the punch card, Schneider advised that the importance of these cards toward the future of these great game fish cannot be overemphasized.

These are the game fish, Schneider said, which have been much in the news in relation to multiple and other uses of the water resources of the state. In this respect, Schneider continued, reliable records and facts are an absolute necessity in determining water needs for fishery purposes.

Schneider advised anglers that because of the low return of punch cards in the past the accuracy of the calculated salmon and steelhead catch, magnitude of the runs, angling pressures, and many other important factors are often questioned in regard to water development and use. In the adjudication and use of water, more accurate records could be highly beneficial to the salmon and steelhead resources, Schneider said.

**Collection Boxes**  
To assist anglers, the game commission has provided all licensed agents with collection boxes for the punch cards. The cards may also be returned to the commission at 1634 S.W. Alder in Portland.

Schneider mentioned that the states of Washington and Idaho are following Oregon's pattern in collecting steelhead information by providing anglers with a punch card system. This is a cooperative venture by the three states to maintain the highly popular and important salmon and steelhead resources. The backing of all anglers is needed to insure the success of this program, Schneider said.

### Tail End Clubs Blast Leaders

United Press International  
Lowly Dallas-Fort Worth and Oklahoma City played host to the Giants of the American association last night and for the second meeting in a row, swamped them.

The Rangers, one game out of the league cellar, whipped the front-running Indianapolis Indians, 6-2, while the last-place 89ers blasted Omaha, 4-1. The Dodgers are in a virtual tie with Louisville for second place.

In the other tilt, Louisville walloped the visiting Denver Bears, 5-1.

### Folley Kayos Paul Andrews

Sacramento, Calif. — Third-ranked heavyweight Zora Folley of Phoenix, Ariz., knocked out Paul Andrews of Los Angeles Tuesday night in the seventh round of their scheduled 10-round fight.

Folley cautiously toyed with the former second-ranked light-heavyweight for six rounds and then opened up with a volley of lefts and rights that staggered Andrews in the seventh.

Referee Mario Duccini stopped the bout with one minute left in the round.

**BIG FIVE MEETS**  
Victoria, B.C. — The athletic council of the Big Five conference began preliminary talks here today on a possible renewal of a Rose Bowl football pact with the Big Ten. The annual spring meeting of the Athletic Association of Western Universities Tuesday discussed a recent communication with the Big Ten concerning a new contract and reported the two conferences were in agreement on most issues.

### Michigan, Florida State Rivals in NCAA Baseball

Omaha, Neb. — Michigan and Florida State, the only teams to survive the first two rounds of the NCAA national baseball tournament without a loss, collide tonight to see which will advance to the semifinals as tourney favorite. Michigan danced past Holy Cross, 11-4, and Florida State scored a run in the ninth without a hit to pull a 5-4 decision out of the fire against Ithaca Tuesday night.

There were to be two more casualties in the double-elimination tourney today. Santa

Clara and Holy Cross battled for survival this afternoon

**ONE, TWO, THREE, FOUR**  
Portland — Charlie LaFranchise, Portland television personality, shot a hole in one on the 145-yard fourth hole at the Portland Meadows course Tuesday — but that wasn't all. The foursome of LaFranchise, Doug LaMear, John Hilsentger and Bob Blackburn had a 1-2-3-4. LaMear shot a birdie two, Hilsentger a par three and Blackburn a bogey.

and Texas meets Ithaca to open tonight's doubleheader. The Texans smashed Colorado State, 11-2, and Santa Clara outlasted Missouri, 7-4, in a dozen innings to trim two other squads from the original eight-team field Tuesday.

Missouri didn't give up easily. After Santa Clara tied a 1-1 knot with a pair of runs in the eighth and added another in the top of the ninth, it looked blue for the Tigers. But they cracked five singles, scored three runs and forced an overtime. But the

Missouri defense collapsed in the 12th. Santa Clara had only one hit, Tom Cullen's leadoff single, and Mizco committed three errors as the Broncos rushed to victory.
