New Eugene Emerald Nine To Meet Salem At White City Field

Rogue valley fans will see an almost entirely new Eugene Emeralds baseball team on Monday, June 25, when the Ems entertain the Salem Dodgers in a Northwest league baseball encounter at Memorial field, White City.

The Eugene roster lists only two of the players whom fans saw in action last season at White City where the Ems appeared twice.

The June 25 encounter will be the first of two games between Eugene and Salem at the Veterans Administration domiciliary field this season and the first of four the Emeralds will have at the VA facility.

Purpose of holding the games here is an aim of the Emerald organization and the Northwest league as a whole to again demonstrate professional baseball and stimulate interest in it. The Northwest league is a Class B circuit. It has long been interested in locating a franchise in Medford.

Local sponsors of the four pro games here are the Central Point Junior Chamber of Commerce and the Medford Lions. Each will take two games, although there is a certain amount of working together. Central Point Jaycees, with Ernest Kennedy Jr. as committee chairman, are sponsors of the June 25 fracas.

Roger Tomlinson, second baseman, and Stan Patykula, utility players, are only returnees on the Eugene roster from 1961. Other players this season come from 1961 play in such localities as Winnepeg, Man.; El Paso, Tex.; Salem, Va.; Fresno, Calif.; Quincy, Mass., and Gastonia, S. C.

13 States Represented

Players for the Ems are from 13 states, from one U.S. possession, Puerto Rico, and from the Dominican Republic. Patykula and Carlos Rico, outfielders, are the oldest of the players at 25 years each. Richard Estelle and Matthew Gayeski, pitchers and each 20, are the youngest. Ten of the 18 players on the roster are listed at 22.

Team Manager Bud Byerly, 41, is from St. Louis, Mo., and was at San Francisco and Tacoma last year. Eugene is affiliated with the San Francisco Giants.

The game has been scheduled for 8 p.m. on June 25. Tickets are on sale at Barker's Men's store and the Bohemian club in Medford, Central Point pharmacy, Foster's pharmacy in Jacksonville, Olsen's confectionery at Eagle Point and at the Shady Cove tavern and cafe.

The Jaycees' share of the proceeds will go toward the Crater High school stadium fund.

Medford, Coos Bay Legion Teams Play At Ashland Today

Ashlanders have an opportunity this afternoon to see American Legion junior baseball teams in action.

Medford and Coos Bay teams will play in the Lithia city on the Southern Oregon college diamond. First game of a doubleheader will be at 1:30 p.m. A seven inning tangle will be followed by a five inning mix. These will be non-league contests.

Medford Cokes will be the host team. They are playing at Ashland because the Medford high diamond is currently unusable for games.

Little is known here concerning the Coos Bay club. It is a member of the Western division of Area 4 while Medford is in the southern division. In its division, Coos Bay plays against Bandon, North Bend and Myrtle Point. Last league standings listed Coos Bay at 0-2. Since then they've dropped a pair to North Bend, almost coming from behind with a seventh inning rally in the second game.

Possible CB pitchers are John Briggs and Nick Nylander. Ron and Roger Gould along with Buddy Bick could prove the big men with the bat. Al Peirce Lumber is the sponsor of the coast team.

For Medford, with Coca Cola as major sponsor, pitching chores may go to Bill Enyart and Jack Forde. Assignments, of course, depend on how Stu Young fared on the hill against the Klamath Falls Falcons last night.

It is hoped by Legion baseball supporters that today's games will help stimulate interest in Ashland for sponsorship of a 1963 team. An Ashland team was ready to play in the southern division this spring but there was no financial backing.

Wenatchee, Salem Split

United Press International

Wenatchee and Salem met in a doubleheader in the Northwest League Friday night over the little matter of deciding first place but it was no decision.

Salem won the opener 9-6 and Wenatchee the nightcap 7-2 leaving Wenatchee still one-half game in front of the Dodgers.

Yakima took Eugene 8-4 and Lewiston won over Tri-City 10-4 in the other games.

Bill Kelso had a pair of homers for Salem in the opener, Bob Cox and Dick McLoughlin each had two-run homers and Salem's 13 hits were too much for Wenatchee.

Nelson Matthews got Wenatchee all the runs it needed in the nightcap, however, with a three-run homer in the third as part of a four-run outburst. The Chiefs added three more in the fourth to sew it up.

Bill Meyer of Lewiston hit a two-run homer in the first and teammate Herb Newman had a solo homer in the third and a two-run homer in the fourth to pace the Broncos. Bill Landis, who fanned seven and walked but three, was the winner.

Rico Carty, Yakima catcher, drove in three runs for the Bears and Kerry Buckner got Yakima two more runs in the eighth with a two-run single.

MOTORCYCLISTS

Gilford, N. H. – (UPI) – A field of 45 motorcyclists will compete for $10,000 in prize money today in the 100-mile national championship road race winding up the 42nd annual motorcycle tour and rally here.

Mets Get Woodling From Nats as Deal For McCovey Fails

New York—(UPI)—Gene Woodling, 39-year-old outfielder now in his 17th major league season, was purchased by the New York Mets from the Washington Senators Saturday for an estimated $50,000.

There were no other players involved in the deal, which was consumated just before the midnight June 15 major league trading deadline. To make room for Woodling, the Mets Friday shipped veteran catcher Harry Chiti to the Jacksonville Suns of the International league.

The Mets, bogged down in the National league cellar, had been attempting to get Willie McCovey from the San Francisco Giants, but they couldn't get together with the west coast club which reportedly asked for pitchers Roger Craig and Bob Miller.

A last-minute attempt to send outfielder Frank Thomas to the Red Sox also fell through when three NL clubs refused to waive on him.

Three Meet Marks Set as Oregon Wins NCAA Track Championships

By HAL WOOD
UPI Sports Writer

Eugene – (UPI) – Three new meet records were set as Oregon won the NCAA track and field championship Saturday on the fleet feet of Harry Jerome, Jerry Tarr, Mel Renfro and Dyrol Burleson.

With Tarr collecting 20 points by winning the 120 yard high hurdles and the 440 - yard intermediates; Jerome capturing the 220 and finishing second in the 100; Burleson winning the mile and Renfro finishing second in the high hurdles and third in the broad jump, it was a no-contest team meet.

But the performances were outstanding, with these meet records:

Mile – Burleson won a pushing - and - shoving race in 3:59.8.

440-yard hurdles – Tarr, in 50.3.

3,000-meter steeplechase – Pat Traynor, Villanova, in 8:46.8.

Another record was cracked Friday when Dallas Long of USC heaved the shot-put 64 feet 7 inches.

Oregon scored 85 points, to second - place Villanova's 40 3/7ths. Defending champion Southern California finished third with 27 3/7ths.

The mile run turned into something of a rodeo. Burleson was pushed and stumbled at the start. About 100-yards later his own team - mate, Keith Forman, stepped on his heel after being elbowed.

But the Oregon runner stayed near the front after a slow first quarter of 62.2 seconds and a half of 2:02. Then he had to put on a brilliant run down the home stretch to catch Bill Cornell, an Englishman representing Southern Illinois.

Burleson won going away, with Cornell finishing second in 4:00.5.

Tarr was the high point man of the meet, winning the high hurdles in 13.7 in addition to his feat in the intermediates.

Traynor's performance in the steeplechase broke the NCAA meet record of 9:01.1 set by John Lawler of Abilene last year. Lawler finished 13th in the field this year.

Probably the biggest upset of the meet came in the high jump where Roger Olsen, University of California sophomore, won with a leap of 6 feet, 10 inches. Included among his vanquished foes were John Thomas of Boston university and teammate Gene Johnson, both conquerors of the seven-foot mark.

"It was the first time I ever beat anybody," said the surprised Olsen. "The rest of the guys must have had an off day."

Frank Budd of Villanova retained his crown as the fastest 100-yard dash man in the world by winning the event by about three inches from Jerome. He was clocked in 9.4, against the 9.3 he took Friday in winning an eased-up trial.

Tarr's 20 points made him the high - point man of the meet. Jerome had 12 and Renfro 14.

Final team standings in the 41st annual NCAA track and field championships:

Hernandez Gets TKO Over Rosi

New York – (UPI) – Lightweight contender Carlos Hernandez of Venezuela zoomed toward a title bout Saturday by flooring former challenger Paolo Rosi of New York three times for an automatic technical knockout in the first round of their television fight at Madison Square Garden.

Referee Mark Conn stopped the scheduled 10-round bout at 2:11 of the opening session. Although baldish, 34-year-old Rosi had been stopped four times previously in his career because of face cuts, it was the first kayo resgistered against him for any other reason.

Matchmaker Teddy Brenner said immediately after the fight, "I will try to get Hernandez a title shot with champion Carlos Ortiz."
