

### They'll Do It Every Time

By Jimmy Hatlo

By Jimmy Hatlo

### Jacksonville Sets Recreation Plans

Jacksonville - Jacksonville Parent-Teacher association is the sponsor for a summer recreation program for children of the area.

Among activities planned are summer band, baseball and dancing instruction. Swim classes also will be held, but registration for the classes is complete.

A bus will transport those wishing to participate in summer band to Medford High school from July 2 through July 27. The bus will leave Jacksonville Elementary school at 7:20 a.m. and return at 11:30 a.m.

Baseball is open to all boys from 9 to 14 years of age. It will begin June 25 at 8 a.m. on the elementary school baseball field. Roland Griffith will coach.

Girls ages six through 14 will be eligible for the dancing class, which starts July 23 and ends Aug. 3. The class will be given Monday, Wednesday and Friday in the school gymnasium from 10 to 12 a.m.

Additional information may be obtained by calling Mrs. Weston Worden, 899-1194.

### PASSES EXAMINATION

William C. Backus, son of Arthur M. Backus, 308 East California st., Jacksonville, was advanced to aviation machinist's mate third class recently while serving at the North Island Naval Air station, San Jose, Calif.

### Dennis the Menace

## Registration for Summer School Is Scheduled Monday

Registration for the 1962 session of summer school will

begin at 8:30 a.m. Monday, June 18, at McLoughlin Junior High school, according to Dr. Leonard B. Mayfield, superintendent of schools. Classes will begin Tuesday, June 19, and will meet from 8:30 a.m. until noon five days a week.

Mayfield said remedial and review programs for students in grades one through eight will be provided, as well as all regular subjects required for graduation from Medford High school.

The program has been planned with the knowledge that employment opportunities are limited for young people not yet out of high school.

Elementary school sessions will end July 20, and high school sessions will end July 27, giving students a chance to work in the valley fruit harvest.

Special attention is being given to the enrichment classes for junior and senior high school students. These classes will include public speaking, taught by Jerry McDougall; speed reading, taught by Don McLarrin; and creative writing, with James Backen as instructor.

A class in speedwriting will also be taught. This is planned for the college-bound senior, who may want the ability to take fast notes. It is recommended for students in grades nine through 12, and will be taught by Louis Mahar.

Although two five-week sessions of driver training classes are planned, Mayfield reported that both sessions are filled. There is also a waiting list in case of vacancies, he added.

In addition to the regular school subjects, arts and crafts will be given in the wood shop of McLoughlin Junior High school. Students from grades four through 12 are eligible to work in the class, which is presented by Mrs. Dean Smith.

Summer band is also being held this year. Although students have already signed up for the program, information may be obtained from the band director, I. A. Mirick.

Classes in the summer school are open to any child who is a resident of the Medford school system, Mayfield said. Those living outside the system may also attend, but are required to pay a tuition fee.

Additional information about the school may be obtained by calling McLoughlin Junior High, 773-4513, during school hours.

## ACTION ADS FOR YOUTH

The Market Place for Labor, Goods and Trades for Young Students Ages 7 Through 17
