On the Air

By ELEANOR WIESE

Richard Boone and Douglas Campbell's dramatized reading of "John Brown's Body," Stephen Vincent Benet's Pulitzer Prize-winning poem of the Civil War, will be rebroadcast Thursday at 7:30 p.m. on KBS-TV.

This will be the first opportunity viewers in this area will have had to see this highly acclaimed production. When it was first broadcast in January of this year, critics were unqualified in their praise.

Jack Gould of the New York Times wrote: "The television presentation... was superb. The exaltation of freedom and the heartbreak of a divided nation were magnificently realized in forty-odd minutes of TV that were strikingly creative and deeply stirring."

Other critics described the dramatization as "brilliant and exciting... moving... eloquent... a rare hour of beauty and truth... a distinguished TV work of power and inspiration."
