They'll Do It Every Time — By Jimmy Hatlo

Registration Open For City Program

Registration is now in progress for the Medford city recreation program at Jefferson, Washington, Jackson, and Howard schools, and at Hawthorne park. Included in the program are arts, crafts, and girls' softball.

Activities are scheduled from 9 a.m. to noon and from 1 to 4 p.m. Monday through Friday. Children from any part of Medford may attend sessions at any school they wish.

Directors are especially interested in having a girls' softball team at each school and at Hawthorne park. Girls aged 9 to 11 are eligible to participate in softball.

Boys participating in the Sandblower baseball league, ages 8 to 10, are to register Friday, June 29, at three locations. Boys who will be playing at Wilson and Hoover schools, Hedrick Junior High school, and Hawthorne park will register at Hedrick Junior High school. Those playing at Washington and Jefferson schools will register at Jefferson, and those playing at Jackson school will register there.

Although the recreation program will continue through Aug. 17, there will be no playground activities July 4.

Four Accidents Are Reported in City

Four automobile accidents were investigated by Medford police Tuesday. Two citations were issued.

John William Calin, 54, of 1106 West Fourth st., was cited for not having an operator's license in his possession after his vehicle struck the rear door of Robinson's Brothers, 114 East Main st., about 11:30 p.m.

In another accident Donald Gene McLarrin, route 1, box 454, Talent, was cited for failing to yield the right of way to a vehicle after his car was involved in an accident at the intersection of West Sixth st. and North Oakdale ave. about 8:30 a.m. The other vehicle was operated by Charles Richard Kinney, of 384 North Laurel st., Ashland.

Shortly before 10:30 a.m. police checked an accident at Crater Lake ave. and East Main st. involving cars driven by Florence English Sherman, 62, of route 2, box 228X, Medford, and Barbara Diane McCoy, 25, of 415 Freeman rd., Central Point.

John Mike Flett, 19, of 1407 Saling st., told officers he would see his own physician after he was thrown from his scooter when it hit a car operated by Anastasia Helen Buckley, 45, of route 1, box 56A, Jacksonville. The incident occurred on West Sixth st. and North Oakdale ave. about 1 p.m.

Nut Dryer at Dundee Destroyed

Dundee, Ore. (UPI) — The nut dryer of the Dundee Nut Growers burned Wednesday night with loss estimated at $65,000.

Cause of the blaze, battled by fire departments from Dundee, Newberg and McMinnville, was unknown.

Earl G. Smith Jr., manager of the Dundee cooperative, said the plant contained no nuts but did have some machinery.

Main buildings of the Dundee Nut Growers were saved.

The alarm was turned in shortly before 9 p.m.

In 1957, Dundee Nut Growers was hit by a $300,000 fire which destroyed a warehouse. The warehouse later was replaced with a modern fireproof structure.

Court Records

Two Large Test Shots Exploded

Washington — (UPI) — The Atomic Energy Commission exploded one of its largest underground nuclear shots Wednesday in Nevada and also touched off a big atmospheric test in the Pacific series.

Only one other underground explosion at the Nevada proving grounds may have been as big as the one Wednesday. The AEC said the shot under the desert, the 39th announced in that series, was of intermediate yield.

This means a device equal in power to anything between 20,000 to one million tons of TNT. The only other intermediate yield underground test was held May 12.

The Pacific shot was the 23rd announced blast in the current series. The device, dropped from a plane near Christmas Island, was in the megaton range, having a force equal to a million or more tons of TNT.

Two other previous tests in the Pacific series have been described in the "low megaton range." Wednesday's was the first to be reported in the "megaton range." The AEC did not say what the difference is, if any, between the two classifications.

EXPENSIVE EATING

Southampton, England — (UPI) — Truck driver Geoffrey Woodford "got hot under the collar" when asked to pay his bill before eating curry in a restaurant, a court was told Tuesday. The complainant testified that Woodford walked out and returned to the restaurant in his car which he drove through a window causing $1,260 damage.

Time Running Out For 11 Convicts

Pittsburgh — (UPI) — Time was running out today for 11 rebellious convicts who are perched, without food or water, on the catwalk of a water tower 80 feet above ground at Western Pennsylvania Correctional Institution.

Two convicts cracked under the strain Wednesday night and descended the superstructure amid the jeers of the holdouts.

While guards have taken no direct action to force the other prisoners to leave the tower, one move was certain to cut short their demonstration. Prison officials discovered Wednesday the convicts were using a tap on the side of the tank to obtain water. The tank was drained.

The demonstartion started Monday afternoon by Robert Payne, 28, Washington, D. C. Payne broke away from guards when he was being returned to the prison's maximum detention area from the hospital. He climbed over the 10-foot fence at the bottom of the tower and clambered up to the catwalk.

Tuesday evening, 12 other prisoners broke away from guards after dinner and joined Payne.

They took food to him, the first he had had in more than 24 hours. They also displayed signs printed on bedsheets saying "We ask for no violence — help us" and "We are protesting brutality."

Robert Elliott Wins Election

Portland—(UPI)—Robert Elliott, 45, was elected chairman of the Multnomah County Republican Central Committee Wednesday night, overcoming a last minute effort to defeat him.

The vote was 269 for Elliott to 128 for Don Johnson, 47, an electronics firm proprietor and conservative group leader.

Central committee members only Wednesday received a brochure which for the first time made public the announcement of Johnson's candidacy for the chairmanship.

Elliott, an insurance man, is a former Oregon State Republican and Medford resident. He became county chairman to fill a vacancy only last month.

Among resolutions adopted by the committee were those which criticized "the brazen efforts to build a Kennedy dynasty," blamed the stock market crash on the administration and invited all voters, regardless of party, to join the GOP to vote against these policies.

TAKING TESTS

Washington — (UPI) — Twenty persons from Kansas City and St. Louis are taking part in a study to measure radioactive iodine 131 activity in the thyroid gland, the Public Health Service said Wednesday. It said the tests, which take only about half an hour, involve no hazard or discomfort.

PLEASED WITH FILMS

Washington — (UPI) — President and Mrs. Kennedy are reported to be pleased with two U.S. government-sponsored films of the First Lady's visit to India and Pakistan. Under a law affecting the U.S. Information Agency, which made the film, the movies will not be shown in this country.

Pilot Retires With 33 Years Experience

Coral Gables, Fla. — (UPI) — Capt. Thomas F. Jardine has retired from Pan American-Grace Airways after flying more than 30,000 hours and 7,388,888 miles—equal to 296 trips around the world or 30 trips to the moon.

Jardine retired at the age of 60 after 33 years of flying over South America.

SCHOOL'S OUT...CHILDREN PLAYING...DRIVE CAREFULLY...

The boys and girls in Medford and the Rogue River Valley are out of school now to enjoy a summer of fun. PLEASE help them to keep enjoying it! Youngsters will still be going to school playgrounds and playing at home . . . they are apt to dash into the street anytime . . . into the path of YOUR car. The Medford Traffic Safety Council urges YOU to make SAFE DRIVING a very personal responsibility. Have your car thoroughly checked for safety . . . be doubly careful to observe traffic signs and regulations . . . watch out for children everywhere — and give them the right of way!

DRIVE WITH EXTRA CARE
