Wenatchee Cops Title

United Press International

It isn't the acceptable way to do it but Wenatchee won the first-half title in the Northwest league Friday night by losing.

Lewiston topped the Chiefs 9-8 in 10 innings but Tri-City took second place Yakima 7-4. Salem nicked Eugene 6-7 in the other game.

There were but three games left in the first half and even if Wenatchee dropped all three and Yakima won all three, the Chiefs would still finish out in front by two percentage points.

RECEPTIVE!

Readers Welcome Newspaper Advertising ... It's Not an Intrusion!

People really want newspaper advertising and have said so. Surveys usually show well over 80% in favor of newspaper advertising; less than 70% for magazines; and under 40% in favor of advertising on radio and TV.

Your advertising's first job is to win a friendly feeling for your product. It stands to reason you will win more friends by running your advertising where most people want it.

If you want to sell more people you have to reach them when they are receptive. Newspapers reach more of the most receptive people.
