Bend—(UPI)—Millard Porter, Madras, captured the Mirror Pond Golf tournament here Thursday with a four-under-par 68 and a two-day total of 140.

With Queen Elizabeth on hand to present the trophy to the winner, Laver had a relatively easy time adding the Wimbledon trophy to the Australian and French championships. The 23-year-old Aussie now only needs the

# American Oar Crews Face Odds

Henley, England—(UPI)—Three American crews faced overwhelming odds today in the Grand Challenge and Thames Cup rowing competitions in the Henley Royal regatta.

The University of Pennsylvania met the Grand Challenge favorites, the European champion Moto-Guzzi crew of Italy, in a semi-final round.

The Detroit Boat Club took on the National Provincial Bankers, who have set some of the fastest pre-race times, while Washington-Lee High school of Arlington, Va., met the Argosies rowing club of England in another quarter-final Thames Cup test.

Two other New England entries, Massachusetts Institute of Technology and Phillips academy of Andover, Mass., joined Yale in defeat Thursday.

Penn was impressive in scoring a 2 1/2 length victory over the Thames Rowing Club, stroking one mile, 570-yard Thames River course in six minutes, 44 seconds.

Detroit outlasted the Lady Margaret club by a length after trailing for the first half-mile. The Washington-Lee schoolboys also encountered difficulty as they almost allowed the Tideway Club to draw even before spurring ahead for a three-quarter length triumph.

The Moto-Guzzi eight-oared crew was too much for Yale. The Italians raced to a two-length verdict and eclipsed Penn's time for the distance with a clocking of 6:35.0.

National Provincial clipped two seconds off Harvard's record when it beat MIT by 1 1/4 lengths in 6:37.0. Argosies' eight-man gang recorded a 6:54.0 finish as it topped Phillips by 1 1/4 lengths.

# Nat Team Travels To Roseburg

Medford swim team members will vie in a three-way meet this Saturday with Grants Pass and Roseburg at Roseburg.

Coach Ken Lyons said that about 50 boys and girls will enter the meet from Medford. It will be an age group affair.

The city park and recreation department is looking toward the Oregon Junior Olympic short meet. It will be held for the second straight year at Medford's Jackson pool. Dates are Friday and Saturday, June 13 and 14. Girls race on Friday and girls on Saturday with prelims in the morning and finals in the evening.

Medford swimmer Bruce Hess took a third in the 100 freestyle, fourth in the 100 butterfly and fifth in the 200 individual medley and 100 backstroke races last weekend in the Hudson Bay invitational swim meet at Vancouver, Wash. Don Scholender, Oswego Lake, now swimming out of Santa Clara, Calif., set national marks in the freestyle, butterfly and medley events in taking firsts in the 15-17-year-old events ahead of Hess.

Only Santa Clara and Tacoma, Wash., swimmers finished ahead of the Medfordite.

Wall, with nines of 34-35 and Still, with 34 going out and 35 coming home, were one stroke ahead of six other pros—Bill Collins, Canadian Stan Leonard, Johnny Pott, Bob Goetz, Paul Harney and Dave Hill. They all beat Warwick's 35-35-72 par for the 7,280-yard course by two strokes.

They shot three under par 69's over the long Warwick Hills Country Club Thursday. And while it stood them in good stead for the long run, the golfer who picked up the marbles in the first round was Butch Baird, another Texas pro.

Baird shot a hole-in-one, despite the fact his caddy gave him a longer club than he called for, and won a \$5,200 Buick. His ace came on the 203-yard third hole, where he holed out a two iron tee shot although he had asked his caddy for a three-iron.

# Medford's Cokes Engage CP Studs

Bob King, ex-Ashland high pitcher is slated to be on the hill tonight for the Medford Cokes when they encounter the Central Point Cheney Studs in an American Legion junior baseball game.

Memorial field, White City, will be the scene of action. Starting time will be 7:30 p.m.

King's mound opponent is to be Larry Mason or Mike Pepper.

There is no league significance to this evening's scramble but spirited rivalry is anticipated just the same between a pair of "crosstown" foes.

This affair will find Medford trying to pull even in its season play with the Studs. At the same time the Central Point nine will try to extend its success against the Cokes. The teams have met three times in 1962 with the Studs winning twice. One Central Point win was in

Area 4 Southern division play.

Medford tutor Cliff McLean reported that Stu Young, regularly a pitcher, may be in the outfield to take advantage of his speed and hitting.

The pasture patrol will be chosen from among Young, Gary Miller, Jim Colhoun, Tom Barker and Mike Neathamer. Neathamer was taken out of action against Klamath Falcons last Tuesday because of a shoulder infection.

Rest of the Coke lineup could include Ken Phipps, catcher; Don Anderson, first base; Bob Schroeder, second base; Dan Miles, shortstop, and Dick Deffley, third base.

For Central Point Coach Bill Askwith may have Jeff Anhorn, catcher; Harold Allen, first base; Pat Pepper, second base; Lou Alvarez, shortstop; Mike Glines, third base and Howard Tomlinson, Neil Riverburg and Dick Halaas, outfielders.

# Tru-Mix, Jennings Post Softball Loop Victories

Tru-Mix Concrete and Sam Jennings Tire company each scored its second win against no losses last night in the second half of the Jackson County Softball association season.

Lowell Dean provided the winning punch for Tru-Mix with two home runs in an 8 to 5 major league verdict over the Grants Pass Elks. Les Walker drove in four runs and Dick Atterbury blasted in two for Jennings which beat Butte Falls 8 to 1 in the Minor league.

Dean homered in the third and seventh innings, each time with Norm Hedgeth on base (via an error and a sin-

gle). Tru-Mix scored four runs in the first inning on a walk, two errors and base hits by Bill Werner and Gary Britt.

Grants Pass bid in the seventh inning to stay in the game. The Elks collected three runs on three bases on balls, an error and C. Curran's two-base blow. Les Saffer singled and John Browns tripled for the fifth inning marker.

TM pitcher Ron Weatherford allowed four hits and five walks. He struck out eight. Saffer and Browns combined for GP for a seventh-inning with three total walks and six strikeouts.

Walker and Atterbury each doubled and singled for Jennings which picked up a total of eight hits. Willie Barnum and Keith Garrett put pitching efforts together for a five-hitter against Butte Falls with one walk and four strikeouts recorded. Butte Falls pitcher Gordon Carrigan walked one and fanned four.

Jay Allen Cars meets Central Point Merchants this evening in the Major league at 6:45 o'clock. International Harvester and Communications Workers follow in the Minor league.

Omaha Cuts Down Margin in League  
By United Press International  
Omaha overcame an 8-3 deficit going into the 7th inning last night to stop the host Denver Bears, 10-8, and pull within a game and a half of front-running Indianapolis, which lost to visiting Louisville, 4-1.

In the other American association game last night, visiting Dallas-Fort Worth edged Oklahoma City, 7-6.

# Wall, Still Head Buick

Grand Blanc, Mich.—(UPI)—Art Wall, the 1959 leading money winner who has been fighting illness and injury since that banner year, and Ken Still, a Texas born pro, today shared the lead going into the second round of the \$52,000 Buick Open golf championship.

They shot three under par 69's over the long Warwick Hills Country Club Thursday. And while it stood them in good stead for the long run, the golfer who picked up the marbles in the first round was Butch Baird, another Texas pro.
