AREA 4 STANDINGS (Southern Division)

Team	W	L	Pct.
Klamath Falls	4	2	.667
Medford	3	3	.500

Klamath Hawks	1	5	.167

Memorial Field, White City—Medford's Coca Cola hoisted itself back into lone second place in Area 4 Southern Division baseball here last night in 12 long, laborious innings.

The Cokes capitalized on two Central Point errors with one out in the bottom of the 12th and Mike Neathamer crossed the plate with the run which gave Medford a 4 to 3 nod over the Cheney Studs.

Action had been scheduled for seven innings. Central Point scored twice in the top of that frame to take a 3 to 1 jump but the Cokes came back with tie up scores.

Both clubs had chances to score in the tense tinged ex-

tra sessions but could not muster full punch. Then, the Medfords made the most of 12th stanza opportunity, Jim Calhoun started the batting turn by grounding out. Neathamer bopped the ball to pitcher Larry Pepper who threw badly into the dirt. The Medford runner went to second base on the play. Ken Phipps then smashed the ball through second baseman Pat Pepper and Neathamer rambed home on the play.

Completed Slate

Triumph gave the Cokes a 5-3 record for a completed league slate and a 825 percentage standing compared to the .667 of the Klamath Falls Falcons (4-2). Central Point fell into fourth place with a 3-4 loop mark and is out of the titular race.

Medford has a non-league game with Central Point at this park at 7:30 p.m. on Wednesday and the Studs entertain the Klamath Hawks on Friday in league here. Meanwhile, the Cokes await the outcome of Falcon games Wednesday with the Hawks and Sunday with Grants Pass. GP's Mock Ford club (4-3) is still in title running.

Rival pitchers went the entire route in last night's game. Stuart Young tossed a 14-strikeout four-hitter for Medford. He hit two batters and walked five. Larry Pepper gave up 10 hits to the Cokes. He whiffed 11 batters and allowed eight free passes.

CP Tallies First Run

Medford got off to a rough start and the Studs made it pay off for a first inning counter. Mike Glines got on base on shortstop Dan Miles fielding muff. He moved to second when Pat Pepper was hit by a pitch. Glines headed on third base stealing try. The throw got away from third baseman Dick Deffley, when it appeared he had the runner tagged, and Glines scampered home.

The Cokes scored once in the second canto on three of four successive singles. Calhoun and Neathamer got hits but the Studs trapped Calhoun off base on a pithout and ran him down between third base and home. Neathamer went to third while this was going on. He scored on a safe swat by Phipps. A third inning bid of 1:21 of the second round in a non-tight fight, Moore weighed 128½ to 128 for Diaz.

The hard-punching Moore dropped Diaz for a six-count just before the bell ended the first round and then quickly put away his opponent with a crunching right to the jaw.

Elks Face Schulz Nine

Grants Pass Elks and Keith Schulz Garage, the clubs which tied for the first half championship of the Jackson County Softball association, meet this evening in a second half game.

They collide at 8:15 p.m. in a major league game. Sam Jennings company and Mail Tribune are rivals at 6:45 p.m. in the minor league.

Wednesday games will have Central Point against Tru-Mix Concrete at 8:45 p.m. in the Major league and Communication Workers of America against Butte Falls at 8:15 p.m. in the minor circuit.

Furrer Chucks No-Hit Victory

Mike Furrer pitched a no-hit, no-run victory for Phoenix-Talent over the Central Point Stars in the Southern Oregon Intermediate Baseball league yesterday. Score was 1 to 0.

Furrer scored the game's lone run with one out in the bottom of the seventh frame. He singled, swiped second and third bases and was safe at home on an error on a fielder's choice rap by Cery Miller.

Furrer struck out six but walked nine, including three each in the first and third innings. A double play helped out of trouble in the first inning and he fanned a batter for the third out with the bases filled in the third canto. Lexie Hamilton got two of the Phoenix Talent hits.

St. Luke's Drops 1st Game

St. Luke's Methodist dropped its first church league softball game in seven starts Monday night, bowing 14 to 8 to Assembly of God at Cheney Field.

A big second inning in which the Assemblymen scored eight runs on four walks and four errors, but without a base hit, was the difference. Dale Cook walked seven and struck out one for the winners while Dave Jordan gave up six free passes and whiffed one for St. Luke's. Chuck Clemens and Cook hit safely twice in four attempts for Assembly of God while Barry Scruggs had two hits in three times up for the losers.

The game was called at the end of 5½ innings because of the curfew ruling.

Sugar Ray Drops Decision To Phil Moyer

By ALEX KAHN
UPI Sports Writer

Los Angeles (UPI)—Sugar Ray Robinson had no thoughts to today of halting his ring career after dropping a split 10-round decision Monday night to Phil Moyer of Portland, Ore., whose brother Denny previously decided the ex-middleweight champion.

Robinson, 160½, was staggered by Moyer in the ninth round but called on his more than 20 years of ring experience to weather out the fight. Moyer weighed 159½.

Although to most ringiders in the estimated crowd of 7,500 at the Sports Arena, Moyer appeared to have a decided edge on points, one official, Judge John Thomas, had Robinson ahead.

The Robinson fight was the third staged by matchmaker Joe Louis, the former heavyweight champion, and proved a crowd-pleaser.

In the other scheduled ten-round featherweight champion Davey Moore barely warmed up as he knocked out Mario Diaz of Mexico after 1:21 of the second round in a non-tight fight. Moore weighed 128½ to 128 for Diaz.

The hard-punching Moore dropped Diaz for a six-count just before the bell ended the first round and then quickly put away his opponent with a crunching right to the jaw.

Medford's Natators Win Meet

Oregon AAU Junior Swim Slated Here

Home team strength in at least two divisions in this week's Oregon AAU Junior Olympic Short Course Swimming championships was indicated last Saturday when the Medford team won a close three-way meet at Roseburg. Medford scored 403½ points, Grants Pass 394 and Roseburg 383½ with a crew of five 11-12-year-old boys and a combination of six 10-years and under girls spearheading the triumph.

Medford will host Friday and Saturday for the annual short course championships. The swimming events will be at Jackson pool and the diving competition at the Hawthorne tank. Girls will contend on Friday and the boys on Saturday in the swimming races with preliminaries at 10 a.m. and finals at 7 p.m. Boys and girls diving prelims will be at 5 p.m. Friday with finals at the same time on Saturday.

In the triangular at Roseburg Riley and Murphy Gilbert, Kirby Lusk, Greg McHugh, and Rob Brown took firsts and seconds among them in each event of the 11-12 age classification for boys. Among the six 10 and under girls, Donita Taylor, Ann Gerety, Lorna Stacey, Shirley and Sydney Smith and Janet Brown, there was relay and backstroke first place and firsts and seconds in freestyle, the butterfly and the breaststroke.

Nucleus

The girls teamed to win all four events in their class in the recent Medford relays and they and the five boys are considered a five nucleus for future Medford competition. However, supporters of the local aggregation have pointed to a particular need for matadors in the eight and under age group and they say the Medford team is in "desperate" need of young divers.

They tell also a need for swimmers in the 13-14 age group and to a desire for more depth among the 11-12 age boys where a B relay team is wanted to go along with the A.

The short course meet will run in four divisions, 10 and under, 11-12, 13-14 and 15-16 with some 34 swimming events and seven diving tests each for boys and girls.

The meet will be open to the public.

Griffith Faces First Fight Since Paret Death

New York (UPI)—This week's boxing schedule, which lists two world champions for action, is topped by Emile Griffith's first defense of the welterweight crown since he recaptured it on a tragic knockout over the late Benny (Kid) Paret, March 24.

Griffith of New York defends against top contender Ralph Dupas of New Orleans at the Convention Center in Las Vegas, Nev., Friday night.

Griffith's defense against Dupas raises two big questions.

—With memories of Paret's fatal beating still in mind, will the very sensitive Griffith of New York be able to cut loose with his Tommy-gun barrages to the head again?

—Will Dupas' fleet-footed and defensive-minded style be able to continue his recently adopted attacking style against a champion whose blows caused the death of his latest opponent?

Heavyweight contenders Eddie Machen of Portland, Ore., and Cleveland Williams of Houston, Tex., are slated for a 10-rounder at Houston Tuesday night. They were twice scheduled to fight at New York, but Machen withdrew both times because of ailments.

In Saturday's nationally televised 10-rounder at Madison Square Garden, Carlos Hernandez—lightweight slugger from Venezuela—engages ex-challenger south paw Kenny Lane of Muskegon, Mich., in a return contest. Lane held Carlos to a draw on Feb. 20, 1961. In Hernandez' latest bout, he knocked out ex-challenger Paolo Rosi in the first round at the garden, June 16.

Quarter of U.S. Children Fail Fitness Tests

New York (UPI)—President Kennedy, in a copyrighted story in this week's Sports Illustrated Magazine, declared that one-quarter of America's school children are unable to pass the meager minimal fitness tests.

Writing his second article for the magazine on the state of the nation's physical fitness, Kennedy made public a report from Bud Wilkinson, Oklahoma football coach and director of the President's physical fitness program, on what he termed the "frightening" condition of America's youth.

"Never in history," Kennedy wrote, "has the United States been represented by a more gifted group of athletes in national and international competition. Yet we must not allow our pride in these few men to obscure the fact that over the past decades the level of our citizenry has been far below any reasonable national standard."

Kennedy pointed to the great reliance placed on the strength and vigor of the individual in the ancient Greek empire, as well as in the birth of our own nation, and he quoted Disraeli as saying: "The health of the people is really the foundation upon which all their happiness and all their powers as a state depend."

Stallard Aids In Seattle Win

By United Press International

Tracy Stallard may be remembered as the fellow who dished up that 61st home run to Roger Maris last year but the Seattle Rainiers of the Pacific Coast league think he's doing just fine.

Stallard came on in relief Monday night, pitched no-hit ball over the last three innings and ignited a Seattle rally that resulted in a 4-2 victory over Tacoma.

It was the only game of the evening.

Stew MacDonald, Seattle starter, had been nicked for a pair of solo homers by Faye Throneberry and Neil Wilson that tied it at 2-2. Stallard relieved MacDonald in the seventh, walked two batters with two out but barred the door after that.

In the ninth, again with two out, Stallard triggered the Rainier rally with a single to left. Ted Schreiber then followed with a double.

Paul Smith was walked intentionally and Billy Harrell provided the finishing touches when he clipped Gaylord Perry for another double good for two runs.

John Wheeler Loggers Win Redding Tournament

John Wheeler Logging of Medford swept through three games Saturday and Sunday to win the annual Shasta County Softball association tourney at Redding, Calif.

The Loggers downed Red Bluff 8 to 4 in the final game Sunday night after advancing with a Saturday night 15 to 3 decision over Arcata and a Sunday afternoon 3 to 0 win over the Redding Merchants.

Vern Collins, John Wheeler pitcher, was named the tourney's most valuable player.

In the titular game the Loggers got all their runs before Red Bluff scored. Mickey Greenstead tripled and Don Jacobson singled for a first inning marker. Jack Brown doubled and Al Brown singled to score in the second frame. In the third four runs crossed on singles by Jacobson, Jim Dillon, Jack Brown and Collins, a walk and a fielder's choice.

Other teams in the tourney were Woodland and Eureka, Calif.

The Loggers will go to Salem this Saturday and Sunday for games against Randall's Chuck Wagon.

Feud Between NCAA And AAU Brought Before White House

Washington (UPI)—The bitter, name-calling feud between the Amateur Athletic Union and the NCAA, which threatens to decimate the United States team for the 1964 Olympics, has been brought before the White House for mediation.

Sen. Clair Engle of California said Monday that the entry of the International Amateur Athletic Federation (IAAF) into the dispute on the side of the AAU had prompted the request for White House help.

Engle, speaking in an interview filmed for release over California television stations, said that the dispute places American athletes in a "no man's land" and threatened some of them with disqualification from the Olympic team.

"If he competes in AAU-sanctioned meets, the NCAA disqualifies him," Engle said, "and if he runs in NCAA approved meets, the AAU and IAAF drop him."

GIANTS SIGN HALFBACK

New York (UPI)—Halfback Bobby Galters, the club's second-leading ground gainer last year, has signed for his second season with the New York Giants of the National Football league. Galters, who was the Giants' No. 1 draft pick when he graduated from New Mexico State, is being counted on as their top running halfback this season.

Knicks Sign Veteran

New York (UPI)—The New York Knickerbockers of the National Basketball Association announced the signing of veteran Johnny Green. Green, 8 foot 5 inches, led the Knicks in rebounding last season with 1,061, was third in scoring 16.1 points per game and third in assists, 202.
