

# Dairy Maids Face Yakima Saturday

Memorial Field, White City - Oregon's defending state champions meet the 1961 northwest regional titlists here Saturday night in a women's softball doublebill.

Rogue Valley Dairy Maids will be hostesses to the Yakima Webb Cats. First game will be at 7:30 p.m.

The Washington club won the northwest diadem last summer and with it went a berth in the world tourney at Portland. Rogue Valley was runnerup to Yakima in the regional after taking the Oregon mantle.

This will be the initial action between the two clubs this season. The game is Northwest Women's Major League affair. The clubs will meet again in August.

**FACES WEBB CATS** - Yvonne Webb-Cats, above, is shortstop for the Rogue Valley Dairy Maids who meet the Yakima, Wash., Webb-Cats on Saturday night in a softball doubleheader at Memorial field, White City.

**Broke Even**

Rogue Valley and Yakima met six times last year and broke even. The Maids won 7 to 2, 4 to 1 and 11 to 5 and lost 6 to 7 in the league. Yakima trimmed the Rogue Valley club 5 to 1 and 5 to 4 in the regional.

The Webb Cat lineup is much the same as last season on the roster are three players named to the northwest regional tournament all-star team. They are Betty Baker, pitcher, Bette Story, second base and Cathy Webb, outfielder. Gretchen Bower and Shirley Dobbie are others who might pitch against the Maids.

Pat Barron and Ellen Callaghan likely will be the Dairy Maid pitchers. Other probable starters include Jean Main, catcher; Doris Hickson, first base; Jan Bateman, second base; Yvonne Melvor, shortstop, and Janet Pfaff, third base. Callaghan probably will be in the outfield when not pitching. Other outfielders may be picked from among Bernice Bigham, Nadine Brood, Iola Martinson and Glenda Hull.

Chicago - (UPI) - The Chicago White Sox have signed a 10-year agreement with the city of Sarasota, Fla., to use the city's facilities for a spring training base. The lease covers the use of Payne Park and four diamonds at new Tuttle Ave. Park.

**TURN YOUR BROWN LAWN TO GREEN WITH TURFCO AUTOMATIC SPRINKLING**

Turning your dried-out lawn from a summer-time brown to a fresh, lush green can be as simple as setting a clock... the clock-timer of a Turfco automatic underground sprinkling system. Turfco turns the water on and off automatically at the times you have pre-set on the timer for as long as you want. Even an entire season! Set Turfco to water night or day (when water pressure is highest), whether you are at home or away (on vacation). Turfco will keep your lawn fresh and green while you enjoy summer leisure. Professional design and installation service is provided by your Turfco dealer. Every system is fully guaranteed for three years. See him soon for all the details of automatic lawn and garden watering... The Turfco way.

# Loggers Go To Salem

John Wheeler Loggers, Medford's independent men's softball team takes to the road again this week end.

The Loggers go to Salem for Saturday and Sunday night encounters. Opposition will be provided by Randall's Chuck Wagon. Randall's is defending state champion.

Wheeler met the Salem club at White City in June in a pair of doubleheaders. The teams came out even. Medford's club took 6 to 1 and 1 to 0 decisions and Salem nabbed 1 to 0 and 2 to 1 verdicts.

Vern Collins and Milan Kurtz are ticketed for the Wheeler pitching assignments and Marion Kraft and Gene Hillflecker may do the Salem chugging.

The Loggers last week end won the Shasta County league invitational tourney at Redding, Calif.

One change has been made on the Wheeler slate. The Loggers will meet the Stoddard-Frink Chevrolet team at Albany on July 28 and a Corvallis team there on July 29. They were set originally to meet an Oregon City club here on that week end. John Wheeler will entertain a Eugene nine on July 21 and 22 at White City.

# Cokes Encounter Roseburg Legion

Medford Coca Cola will collide with Roseburg Lockwood Motors in American Legion junior baseball on Sunday afternoon and at the same time will root for Grants Pass Mock Ford.

The Cokes play a 1 p.m. doubleheader with the Roseburg team at Memorial field, White City. At the same time, Grants Pass will entertain the Klamath Falcons in the Southern division of Area 4.

On the Veterans Administration domiciliary diamond Sunday it will be strictly non-league. But, the GP-KF game will determine whether Medford division hopes stay alive.

The Falcons are 5-2 in the circuit, the Cokes 5-3 and Grants Pass 4-3. Klamath will retain its crown by beating Mock Ford but, if GP is victor, a three-way tie at 5-3 will exist in the final regular season standings. A playoff will be in order.

**Tremendous Record**

Roseburg will come with a tremendously impressive record. The Lockwoods have been playing, in number of games, a professional-like schedule.

Their victory total probably will exceed the 30 mark by several games when they appear on Sunday. Through last Tuesday the Roseburg season record was 30-3. Medford is now 12-4. The Medford games will represent Lockwood's third doublebill in three days.

The Cokes and Lockwoods have had at least two common foes. Each has beaten Coos Bay. Roseburg holds three wins over Central Point against whom Medford compiled a 4-2 season record.

# Art Huff Hurls Perfect Tilt for CWA Softballers

Art Huff's perfect pitching game gave Communications Workers of America their first Jackson County Softball association victory of the season at Cheney field last night.

Huff hurled his no-hit, no-run triumph without issuing a walk and there were no errors behind him as the first half dormants rose up to whip Mail Tribune 8 to 0 in a minor league encounter.

The CWA chucker, a highway department employee, pitching his second game for the club, struck out nine batters.

While Huff was contributing the stellar twirling, Rex Stratton got three hits for CWA including a homer. John Bigham blasted two safe blows.

CWA picked up four of its runs in the third frame of the five-inning tussle. Del Lewellyn doubled, Huff, Strat-

ton and Tom Malot hit singles and there was one error and one walk.

**Merchants Beat Schulz**

Mail Tribune pitcher Jim DeVos yielded eight hits and four bases on balls. He recorded one strikeout.

In the other game of the evening, Central Point extended its unbeaten leadership of the Major league with a 12 to 5 verdict over Keith Schulz garage. The Merchants collected 11 runs in the fifth inning on three hits. Action ended when CP acquired a seven-run margin in the bottom of the fifth with two out.

Bill Aveline had two hits including a homer for KS and Dale Matheny tripled for the same team. Harvey Tonn hit safely twice for Central Point. Three Schulz pitchers held the Merchants to four hits but Central Point took advantage of seven bases on balls and five hit batters. Vern Neiswanger also heaved a four-bitter for CP.

The 6:45 o'clock game tonight is Tru-Mix against Jay Allen in the Major loop. Butte Falls will then play International Harvester in the Minor.

Butte Falls beat CWA 5 to 3 on Wednesday.

**LINE SCORE:**  
Mail Tribune 000 00 0 0 0  
CWA 118 1x-7 8 0  
DeVos and Oakes; Huff and Singler.

**SHORT SCORE:**  
Keith Schulz 5 4 1  
Central Point 12 4 5  
Aveline, T. Burns (5), Matheny (5) and Sullivan, Neiswanger and Lane.

# PALMER WINS BRITISH OPEN

**HENRY W. THORNBERRY**

Tron, Scotland - (UPI) - Incomparable Arnold Palmer shot a course-record 67 and a 69 today to win the British Open golf championships for the second straight year with a record 72-hole total of 276 strokes.

Palmer's winning margin of six strokes over Kel Nagle of Australia was the largest since 1949, when Bobby Locke of South Africa defeated Harry Bradshaw of Ireland by 12 strokes in a 36-hole playoff.

Nagle, who played in a twoosome with Palmer on the two final rounds of the tournament today, shot a pair of 70's to wind up with a 282 total.

The 32-year-old Masters champion from Latrobe, Pa., sank a 14-foot birdie putt on the final hole to break the old tournament record of 278 set by Peter Thomson of Australia in 1958 and tied by Nagle the following year.

Phil Rodgers, 24-year-old rookie pro from La Jolla, Calif., shot two rounds of 72 to finish in a tie for third place with Brian Huggett of England at 289.

Sam Snead wound up the tournament with a 37-34-71 which gave him a 292 total. Don Esig had a 40-41-81 for 308. Jack Nicklaus wound up with a 35-44-79 for 305.

In the 1960 British Open at St. Andrews, Nagle equaled the tournament record with an aggregate score of 278 to beat Palmer by a stroke. The likeable Pennsylvanian started that final round four strokes back of Nagle.

Palmer, though, was in the driver's seat this time. He shot a three-under-par 69 Thursday to reach the halfway mark of the 72-hole tournament with a 140. That gave him a two-stroke lead over Nagle, who fired his second straight 71 in the second round. The two leaders were paired for today's final grind.

Rodgers, a freshman pro from La Jolla, Calif., was locked in a four-way tie for third place, five strokes off the pace. The red-haired Californian posted a 70 in the second round for a 145 total.

Esig, former U.S. public links champion from Indianapolis, carded a second-round 72 for a 148 aggregate; Snead, who won this tournament back in 1946, had a 73 for 149; and Nicklaus, the current U.S. National Open champion, barely qualified for the final 36 holes with an 80-152.

Three Yanks were eliminated after the second round. They were former U.S. Open champion Gene Littler, who had a 74-153; Jack Isaacs of Longley Field, Va., 78-154; and world Seniors champion Paul Runyan of La Jolla, Calif., 77-156.

Littler wasn't the only "name" golfer who failed to survive the cut. Others included former champions Gary Player and Bobby Locke of South Africa, Dai Rees of Wales, the British Ryder Cup captain, and Irish Joe Carr.

# Sports Car Club To Tour Sunday

Siskiyou Sports Car club members will tour to Klamath Falls on Sunday, July 15, for an autocross.

The event will be on the Oregon Technical Institute campus with an asphalt course 1 1/2 to 2 miles long.

Drivers of sports or imported cars wishing to join the tour are instructed to meet at 6:30 a.m. at the Medford armory.

# SPORTS

## Woods, Water, Wildlife

By Hank DeVoss

Those characters who think that snagging salmon is great sport should find some food for thought in the recent court cases held in Josephine county. Two "sports" who were arrested for fishing in the fish ladder at Savage Rapids dam were found guilty and assessed a fine of \$300 each and 40 days in jail. Let's hope that they get such a kick out of this that they feel it for a long time.

### STILL STALLING

More and more members of the House of Representatives are learning that conservationists expect action - not stalling - on the proposal to create a national wilderness system. Reports show that conservationists from all parts of the country are asking their congressmen to urge the House interior and insular affairs committee to complete its deliberations and report out the wilderness bill so that it can be put to a vote in the House before the end of the session. They know that whole legislative processes would have to be repeated if the wilderness bill is not voted on before adjournment.

### WHAT BILL?

A favored wilderness bill, S174, by Senator Clinton P. Anderson (N.M.) and others, was approved 78 to 8 by the Senate last year. S174 and similar House bills now are in the House interior and insular affairs committee, whose public lands subcommittee held a public hearing in May. The subcommittee did not go into executive session after the hearing, as promised, to mark up the wilderness bill. Instead, the proposal is on the subcommittee's list of bills slated for consideration in executive session, but it never quite gets to the top of the list.

### WALTZ ME AGAIN

The proposal again has been scheduled for executive action late this month, and the bill must get out of the committee soon if it is to get favorable consideration in the House this session. Opponents of wilderness are striving to keep the wilderness bill in committee, thereby killing it as they were unable to do in the Senate.

### THE NEXT DANCE

Another bill that is stalled in committee is HB1988, which is concerned with the Tule lake wildlife refuge. This bill would stabilize this important waterfowl nesting and resting area so that there would be no more encroachment by agricultural interests. This is the largest piece of habitat in the Pacific flyway and it has been gradually nibbled on by drainage programs until the farmers consider it as their very own.

### SIGN UP NOW

The latest information available states that there will be a hearing on HB1988 on July 19. The hearing will be held by the subcommittee on irrigation and reclamation, and it is chaired by Representative Walter Rogers. A telegram sent to the subcommittee chairman in Washington,

D.C., can be sent for the small charge of 75 cents for 15 words. Public interest usually gets a bill out of committee when all else fails.

### THE ANGLER'S LOG

Rumor has it that there are quite a few salmon waiting to be caught just beyond the bars at Gold Beach and Brookings. The word is that fishermen have been having good luck off the jetties also and everyone is enthusiastic over the catches. Things are picking up all over.

Diamond Lake - Happy days are here again. Limit catches are coming in and they are running between 16 and 18 inches fighting fat. Most of the luck is being had with FF&W fished as close to the bottom as possible. Willow leaf trolls are doing a fair job. Fly fishing is good; but the fish are six or eight inches long. Most of the fishing is in water about 30 feet deep.

Fish Lake - Fishing is good. Drifting or trolling flatfish is most effective. The old standby FF&W is taking fish too. Most of the fish are up to 14 inches long.

Watt Lake - This piece of water is producing a phenomenal number of fish. Everyone isn't catching as many as he would like, but it isn't because the fish aren't biting. Most of the fish are from 9 to 13 inches long, and they are taking trolled flies or small lures fairly close in to shore.

Howat Lake - Very good. Fish are being taken that measure 18 inches and 2 1/2 pounds. Most of the luck seems to be found by trolling FF&W with egg. Trolling FF&W silver flatfish is also productive.

Klamath Lake - Is slow. A few big fish are being taken, but there aren't too many fishermen working very long or hard. Dwight Ellis of Medford caught a 13 1/2-pounder. Charles Harris of Ashland nabbed a 6 1/2-pounder and Bob Dorig of Grants Pass caught a 3 1/2-pounder. Most of the larger fish seem to like FF&W.

Willow Lake - Fishing is good. The kokanee are still hitting hard and fast. These fish weigh up to two pounds and are excellent eating. They are caught just off the bottom by trolling FF&W or FF&W in-glo. Still fishing cheese also works.

### THE OPTIMIST'S CORNER

Life might be a bit tedious without a few snappers and such-like about. We can always stand reminding that without them as a basis for comparison we wouldn't know what great sportsmen the rest of us are.

### GOOD LUCK!

California's topography ranges from 14,496-foot Mt. Whitney to Death Valley, 282 feet below sea level.

# Semifinals Reached in PNA Golf

Vancouver, B.C. - (UPI) - Medalist Chuck Hunter Jr., of Tacoma, Wash., and pre-tournament favorite Kermit Zarley Jr. of Yakima, Wash., led a march of four young golfers into the semi-finals of the Pacific Northwest Golf Association tournament Thursday.

Hunter and Zarley were joined by 18-year-old Byron Wood of Eugene, Ore., and 19-year-old Terry Campbell of Vancouver.

Wood was scheduled to meet Campbell today.

Hunter Thursday shot a 70 after tying with Williams and John Hedlund of Oswego, Ore., in the qualifying round.

Hunter's semi-final opponent was to be Zarley, 20-year-old National Collegiate Champion.

In the women's division, June Robinson, Albany, Ore., gained the semifinals along with Claudia Lindor, Everett, Wash.; Ruth Wilson, Vancouver, and Mrs. Edean Anderson Ilandfeldt, Seattle. Miss Robinson, playing out of the Corvallis Country club, beat tournament medalist Gayle Hitchens, Vancouver, 2 and 1.

# Neer Victor In State Net Tiff

Portland, Ore. - (UPI) - Top-seeded Jack Neer of Portland advanced into the quarterfinals of the men's singles division in the Oregon State Tennis Tournament here Thursday.

Neer defeated Clint Knox, Richland, Wash., 6-3, 6-4 in the second round. Chuck Rombeau and Jim Buck, the second and third-seeded players from Los Angeles, also advanced.

Rombeau defeated Bill Fort of Los Angeles 6-3, 6-2 and Buck topped Brian Leck of North Hollywood, Calif., 6-1, 6-1.

Also moving into the quarterfinals were Bill Rose and Emery Neale of Portland, Dave Sanderlin of El Cajon, Calif., Fred Drilling of Los Angeles and Omar Pabst of Chile, a student at the University of Portland.

# Russian Squad Heads for U.S.

Moscow - (UPI) - Fifty-nine of the Soviet Union's top track stars leave today for what head coach Gavril Korobkov expects to be the toughest Soviet-American track meet so far.

"The two teams are so equally strong that every point is worth its weight in gold," the coach told reporters who talked to him during the rush of last-minute preparations.

The team of 42 men and 17 women was to fly here from Paris, change planes, and arrive in New York this afternoon. They are expected to continue directly to Palo Alto, Calif., where the meet will be held, July 21-22.
